Til Divorce Do Us Part:

Till Divorce Do Us Part, 1986 **Till Divorce Do Us Part** Beverly J. Grottkau, Eva Augustin Rumpf, 1996 **Till Divorce Do Us Part** is designed to meet the needs of women in troubled marriages who are not prepared to face the threat of divorce. The authors explore the personal, legal, and financial factors that must be addressed by women in order for them to assess the nature of their relationships, reduce the harmful psychological effects of loss that divorcing women experience, increase the potential for their fair and equal treatment in the courts, and find the resources that can enhance their personal and professional lives after a divorce. This book will increase the potential for positive outcomes for women as they negotiate the many facets of loss through separation and divorce. Women can be empowered either as parents or single adults to reach their fullest potential. Such empowerment, which enables women to make responsible choices, is the opposite of the intense feelings of helplessness and hopelessness that many women experience following separation and divorce. The book does not advocate divorce but shows vividly the ways couples can assess whether there is hope for a troubled marriage and what might be done if they have not already made the decision to divorce.

Till Death Do Us Part Robi Ludwig, Matt Birkbeck, 2006-03-28 The first book chronicling the psychological profiles of spouses who kill, from Scott Peterson to Rabbi Fred Neulander, told by a renowned psychotherapist who specializes in spousal behavior and the criminal mind. Every day six people in the United States are murdered by spouses or intimate partners. The stories of killer spouses tend to captivate us as they beg the question of how so many seemingly normal and happy people manage to go over the edge. Indeed, every relationship presents extreme moments where scary feelings surface, yet what happens when those feelings turn to action? In **Till Death Do Us Part**, noted psychotherapist Dr. Robi Ludwig, along with journalist Matt Birkbeck, presents the psychological profiles of notorious killer spouses, from Scott Peterson and Clara Harris to Rabbi Fred Neulander and Betty Broderick. Ludwig reveals ten killer personality types. These ten personality types are defined in detail and illustrated with examples from high-profile cases, along with in-depth analyses of the motivations behind the murders. The ten types range from the Betrayal/Abandonment Killer who loses control and kills from a broken heart to the Control Killer who micromanages every aspect of the spouse's life and the Black Widow/Profit Killer who kills for money. With gripping stories and probing insight, authors Ludwig and Birkbeck examine the concept of peaceful versus violent resolution and why certain spouses believe murder is the best and only response. In an age when spousal murder is headline news, **Till Death Do Us Part** explores a phenomenon that many spouses can't help but think about at some point in their relationships, shedding light on the very notion of happily ever after.
