Tiles A Collectors Guide:

Tiles Hans van Lemmen,1979 Mah Jongg: The Art of the Game Ann Israel,Gregg Swain,2014-11-18 I thoroughly enjoyed this book Whether used as a reference or a beautiful keepsake it s a very worthy addition to the world of Mah Jongg Ruth Unger President National Mah Jongg League This is the first book to fully capture the story of the exotic and exciting game of Mahjong or Mah Jongg offering an intimate look at the history of the game as well as the visual beauty of the tiles When authors Ann Israel and Gregg Swain began playing Mahjong they were unaware of the vintage collections that existed not only in the United States but also across the globe Slowly they started to collect their own sets of Mahjong and as their collections grew so did their appreciation of the history of and interest in the game Finding few references Israel and Swain set out to create a book that chronicles the early beginnings of the game and documents Mahjong sets from the most basic made simply of paper to the most precious materials such as ivory and mother of pearl Recognized and respected scholars and game experts have collaborated with Israel and Swain contributing important chapters on the game s history and its pieces as well as technical information on the tiles Lastly great collectors from around the globe have shared their incredible sets and memories for the first time in one book for everyone to enjoy With hundreds of beautiful new images by renowned photographer Michel Arnaud and including historical documentation and ephemera Mah Jongg The Art of the Game fills the void between the past s and today s game providing vision inspiration and resources Anyone who has ever been intrigued by a Mahjong tile will find in these pages visually stunning photographs that will entice them into becoming an enthusiast of the timeless game of Mahjong Mid-Century Modern Tiles Rob Higgins,Will Farmer,2017-02-15 Few ceramic tiles are more popular with collectors than those modernist products of mid twentieth century potteries This book is the perfect introduction to them *American Art Tile* Norman Karlson,1998 **Art Nouveau Tiles C. 1890-1914** Sandie Fowler,Wendy Harvey,2002 Examples of over 600 dazzling full color Art Nouveau tiles A very useful and beautiful collectors guide it provides information about many major tile manufacturers It is arranged by company and design and contains a guide to market prices as well as suggestions and tips for tile collectors **Flint Faience Tiles A to Z** Margaret Carney,Ken Galvas,2004 Showcases the successful Flint Faience Tile Company s highly diversified production between 1921 33 in Flint Michigan Arranged alphabetically by subject the book covers company history major designers and tile designs including Art Deco and Arts Crafts style animal and nursery rhyme designs geometric motifs dramatic murals and more Installations in homes schools churches and swimming pools are also shown Present day tile values are provided in the captions The Mosaic Tile Company Larisa Harper,2022-03-25 Founded in 1894 the Mosaic Tile Company was the dream of two ceramic pioneers who intended to manufacture innovative ceramic mosaic murals while also dominating the utilitarian market One of the largest such companies in the United States at the time MTC s most significant contribution to the burgeoning Ohio pottery industry was the development of innovative and varied proprietary tile production and installation

methods Compared to its emphasis on mosaic murals MTC's utilitarian and giftware goods were produced in limited quantities and were not well received at the time making them rarer today This book chronicles the history of ceramic creativity in Zanesville Ohio from its earliest days as a bustling town before the Great Depression through its recovery in the 1960s It examines the Mosaic Tile Company's whole history the bygone details of this long lost business its products and its employees and incorporates images and postcards illustrating its products in each chapter
