Travels With My Mother:

The Travels with My Family Bundle Marie-Louise Gay, David Homel, 2016-10-16 Travels with My Family Family vacations are supposed to be something to look forward to Unless that is your parents have a habit of turning every outing into a risky proposition by accident of course So instead of dream vacations to Disney World and motels with swimming pools these parents are always looking for that out of the way destination where other tourists don't go Their adventures involve eating grasshoppers in Mexico forgetting the tide schedule while collecting sand dollars off the coast of Georgia and mistaking alligators for logs in the middle of Okefenokee Swamp On the Road Again In the sequel to Travels With My Family the family is on the road again this time to spend a year in a tiny village in southern France They experiences the spring migration of sheep up to the mountain pastures the annual running of the bulls in which Charlie's father is trapped in a phone booth by a raging bull and other adventures large and small Most of all though Charlie and his little brother Max grow fond of their new neighbors the man who steals ducks from the local river the neighbor's dog who sleeps right in the middle of the street and their new friends Rachid and Ahmed who teach them how to play soccer in the village square Summer in the City Charlie can't wait for school to be over But he's wondering what particular vacation ordeal his parents have lined up for the family this summer Canoeing with alligators in Okefenokee Getting caught in the middle of a revolutionary shootout in Mexico Or perhaps another trip abroad Turns out this summer the family is staying put in their hometown Montreal Canada A staycation his parents call it Charlie is doubtful at first but ever resourceful decides that there may be adventures and profit to be had in his own neighborhood The Traveling Circus Charlie and his family are about to embark on another trip to another out of the way place off the beaten path This time they are heading to an island in Croatia a country Charlie has never even heard of An incredibly beautiful country that lives in the shadow of war and conflict Even for a seasoned traveler like Charlie Croatia is a very different experience To travel in a country where the language is completely unfamiliar and half the words have no vowels To visit remote villages where the Internet is so slow you might as well not have it at all Where goats are a traffic calming device red cliffs loom like fortresses over an impossibly blue sea and luggage porters are a line of women pushing wheelbarrows

Travels with My Harp Mary O'Hara, 2014-02-01 Inspirational and entertaining this autobiography chronicles the life of a performing artist with a deeply devout outlook Mary O'Hara won global acclaim as a singer and harpist yet behind public success was an unsuspected tragedy in which joy turned to sorrow From her humble beginnings in the west of Ireland to her first husband's tragic death and her 12 year sojourn in a monastery this tale of triumph over tragedy also journeys with O'Hara into the wilds of Africa following her second marriage Written with warmth and humor this book is also filled with insights into O'Hara's albums and concert tours
