of the Crusades featured champions of Christianity capturing towns in the Holy Land or mounting heroic defences The fall of  
a great city such as Troy Thebes or Jerusalem provided opportunities for the recreation of ancient chivalry and for reflections  
on historical change Images of the siege in romances also point to other forms such as drama and love allegory where it  
represents the trial of the soul or the pursuit of the beloved This book is the first full length study of an important theme in  
medieval literature Close reading of selected Middle English shows how writers used descriptions of sieges to explore such  
subjects as military strategy heroism chivalry and attitudes to the past This study also draws on a wide range of writings in  
several languages to set the romances in a broad context When they are seen against a background of military manuals
