## Treason Of The Intellectuals:

Treason of the Intellectuals Julien Benda, 2021-12-01 In an era when intellectual and artistic life is increasingly being distorted by political dogmatism Julien Benda's *Treason of the Intellectuals* is a classic that speaks with a new and extraordinary urgency Benda's essay published by ERIS in a new translation by David Broder with an introduction by Mark Lilla offers an incisive account of interwar Europe that ranges from the influence of Friedrich Nietzsche and Georges Sorel to the activities of Charles Maurras and Benito Mussolini It also serves however as a remarkably timely warning against the seduction of modern intellectuals by tribal loyalties and antipathies Rather than detaching themselves from communal ties as their forebears had done Benda argues that twentieth century European intellectuals willingly subordinated the disinterested pursuit of truth to the servicing of group interests particularly the interests of their own nations and social classes Partisan agendas had a corrosive effect not only on moral and political philosophy but also on the writing of history and fiction With its penetrating analyses of nationalism and of the tensions between group identity and intellectual freedom *Treason of the Intellectuals* is as necessary a book in the twenty first century as it was in the twentieth *The Treason of the Intellectuals* Julien Benda, 1928

**The Betrayal of the Intellectuals** Julien Benda, 1955 An incisive and devastating criticism of intellectuals who have failed to accept their responsibility as leaders in society and have allowed themselves to become enmeshed in disputes and soiled by popular prejudices *The Treason of the Intellectuals* Julien Benda, Roger Kimball, 2017

Julien Benda's classic study of 1920s Europe resonates today The treason of the intellectuals is a phrase that evokes much but is inherently ambiguous The book bearing this title is well known but little understood This edition is introduced by Roger Kimball From the time of the pre Socratic intellectuals were a breed apart They were non materialistic knowledge seekers who believed in a universal humanism and represented a cornerstone of civilized society According to Benda this all began to change in the early twentieth century In Europe in the 1920s intellectuals began abandoning their attachment to traditional philosophical and scholarly ideals and instead glorified particularisms and moral relativism The treason of which Benda writes is the betrayal by the intellectuals of their unique vocation He criticizes European intellectuals for allowing political commitment to insinuate itself into their understanding of the intellectual vocation ushering the world into the age of the intellectual organization of political hatreds From the savage flowering of ethnic and religious hatreds in the Middle East and throughout Europe today to the mendacious demand for political correctness and multiculturalism on college campuses everywhere in the West the treason of the intellectuals continues to play out its unedifying drama Provided by publisher

**The new treason of the intellectuals** Thomas Docherty, 2018-06-29 The university is under threat For forty years this indispensable democratic institution has been systematically betrayed by governments and the political class who have redirected it from its proper social and cultural functions through a relentless programme of financialisation Taking his cue from Julien Benda's classic polemical essay of 1927 Thomas Docherty exposes the forces behind modern university

reform He demonstrates that the sector has been politicised and now works explicitly to advance a market fundamentalist ideology that drives an ever widening wedge between ordinary citizens and the privileged and wealthy Against this the intellectual and the university have an urgent duty to extend democracy and social justice Looking to the future Docherty concludes the book with seven hypotheses towards a manifesto and calls on intellectuals everywhere to assist in the survival of the species
