Karp, 1998 The 43 million people with disabilities form this country's largest minority group yet they are markedly under employed as educators **Enhancing Diversity Educators with Disabilities** paves the way for correcting this costly omission Editors Anderson Karp and Keller have called upon the knowledge of 19 other renowned contributors to address the important issues raised in **Enhancing Diversity** including the place of disability in discussions of diversity in education research on educators with disabilities that validates their capabilities and information on the qualifications desired in and the demands made of education professionals Legal precedents are cited and explained and examples of efforts to place disabled educators are presented along with recommendations on how disabled individuals and school administrators can work toward increased opportunities Interviews with 25 disabled educators discussing how they satisfactorily fulfill their professional requirements completes this thoughtful provoking book *The Publishers' Trade List Annual*, 1983 **AB Bookman's Weekly**, 1994 [Hidden Treasures in Your Field](#) Mr. Leon Patillo (Leon), 2022-08-01 Last year I was searching for one theme that would be woven through the Gospels of which undeniably love was at the base of them all In my investigation I discovered a lot of contributing themes that were hidden just beneath the surface so I thought I would get out my spiritual shovel and start digging And when I did I discovered hidden treasures On days when you just need a pick me up this book will get your mind off your depression or challenges Some readers say it's inspirational and will reveal ah ha moments right before your eyes Just the other day I was challenging myself concerning the next music release which entails a new genre of music for our kids and grandkids I was so overwhelmed by the challenge that I forgot who the real source of my success is I started flipping through this book and ran into the exact story I needed to continue down this road We still have to do the work but it's as if the huge door in front of us have hands on ours helping to push So that's what you will experience as the ground around you becomes unearthed and you will find hidden treasures in your field I recently discovered the ERV Easy Reading Version It breaks the verses down to more of a digestible language There is nothing worse than to read a whole chapter and then start scratching your head wondering What did He say I love following our Savior's example of storytelling so I have lots of stories experiences and testimonials woven throughout a book of memoirs I pray this experience will help you see a fresh new side of Jesus and find hidden treasures in your field ZIG ZIGLAR Since 1999 my father started encouraging Leon to write a book He would say If you've got something to say write it down Well this book is a product of that encouragement and a true Treasure indeed Julie Norman CARLOS SANTANA Leon brought the Gospel DR WAYNE CORDEIRO Leon Patillo's life is a true God story His music love for Jesus and zest for life are interwoven into a multicolored tapestry of miracles and grace I have known Leon for many years He has ministered at our church and college and each time he has left behind a lasting shimmer of God's beauty and grace His life is a testimony of a man sold out to the King of Kings Dr Wayne Cordeiro New Hope Christian College PHILIP
