Treasury Of Railroad Folklore:

A Treasury of Railroad Folklore, 1956 **A Treasury of Railroad Folklore** Benjamin Albert Botkin, Alvin Fay Harlow, 1954 The stories tall tales traditions ballads and songs of the American railroad man **A Treasury of Railroad Folklore, the Stories, Tall Tales, Traditions, Ballads and Songs of the American Railroad Man, Edited by B.A. Botkin and Alvin F. Harlow**, 1956 Treasury of Railroad Folklore Treasury, B. A. Botkin, 1953 *A Treasury of Railroad Folklore* B. A. Botkin, Alvin F. Harlow, 2016-07-14 The biggest cargo of high iron lore and legend ever hauled in one load A TREASURY OF RAILROAD FOLKLORE contains over a century of the greatest stories traditions and songs of the American railroad Here are spell binding tales of iron horses and iron men the boomers brass buttons and brass collars the hoggers tallow pots and gandy dancers This collection tells the truth behind the railroad saints and sinners brave engineers robbers and gamblers hoboes empire builders and tricksters whose exploits and achievements all mark milestones in the history of railroading You will meet all the most memorable characters in the history of the iron rail including Peter Cooper Theodore Vanderbilt Andrew Carnegie Wells Fargo and Casey Jones You will be thrilled with dramatic accounts of runaway trains and epic robberies You will roar with laughter at hilarious pranks and tricks feuds and hoaxes and gain new insight into the heart and spirit of the railroads and the men who made run and rode them **American Regional Folklore** Terry Mood Leopold, 2004-09-24 An easy to use guide to American regional folklore with advice on conducting research regional essays and a selective annotated bibliography American Regional Folklore begins with a chapter on library research including how to locate a library suitable for folklore research how to understand a library's resources and how to construct a research strategy Mood also gives excellent advice on researching beyond the library locating and using community resources like historical societies museums fairs and festivals storytelling groups local colleges newspapers and magazines and individuals with knowledge of the field The rest of the book is divided into eight sections each one highlighting a separate region the Northeast the South and Southern Highlands the Midwest the Southwest the West the Northwest Alaska and Hawaii Each regional section contains a useful overview essay written by an expert on the folklore of that particular region followed by a selective annotated bibliography of books and a directory of related resources Encyclopedia of American Folklore Linda Watts, 2020-07-01 Folklore has been described as the unwritten literature of a culture its songs stories sayings games rituals beliefs and ways of life Encyclopedia of American Folklore helps readers explore topics terms themes figures and issues related to this popular subject This comprehensive reference guide addresses the needs of multiple audiences including high school college and public libraries archive and museum collections storytellers and independent researchers Its content and organization correspond to the ways educators integrate folklore within literacy and wider learning objectives for language arts and cultural studies at the secondary level This well rounded resource connects United States folk forms with their cultural origin historical context and social function Appendixes include a bibliography a category index and a discussion of

starting points for researching American folklore References and bibliographic material throughout the text highlight recently published and commonly available materials for further study Coverage includes Folk heroes and legendary figures including Paul Bunyan and Yankee Doodle Fables fairy tales and myths often featured in American folklore including Little Red Riding Hood and The Princess and the Pea American authors who have added to or modified folklore traditions including Washington Irving Historical events that gave rise to folklore including the civil rights movement and the Revolutionary War Terms in folklore studies such as fieldwork and the folklife movement Holidays and observances such as Christmas and Kwanzaa Topics related to folklore in everyday life such as sports folklore and courtship dating folklore Folklore related to cultural groups such as Appalachian folklore and African American folklore and more

The North American Folk Music Revival: Nation and Identity in the United States and Canada, 1945-1980 Gillian Mitchell, 2016-02-17 This work represents the first comparative study of the folk revival movement in Anglophone Canada and the United States and combines this with discussion of the way folk music intersected with and was structured by conceptions of national affinity and national identity Based on original archival research carried out principally in Toronto Washington and Ottawa it is a thematic rather than general study of the movement which has been influenced by various academic disciplines including history musicology and folklore Dr Gillian Mitchell begins with an introduction that provides vital context for the subject by tracing the development of the idea of the folk folklore and folk music since the nineteenth century and how that idea has been applied in the North American context before going on to examine links forged by folksong collectors artists and musicians between folk music and national identity during the early twentieth century With the boom of the revival in the early sixties came the ways in which the movement in both countries proudly promoted a vision of nation that was inclusive pluralistic and eclectic It was a vision which proved compatible with both Canada and America enabling both countries to explore a diversity of music without exclusiveness or narrowness of focus It was also closely linked to the idealism of the grassroots political movements of the early 1960s such as integrationist civil rights and the early student movement After 1965 this inclusive vision of nation in folk music began to wane While the celebrations of the Centennial in Canada led to a re emphasis on the Canadianness of Canadian folk music the turbulent events in the United States led many ex revivalists to turn away from politics and embrace new identities as introspective singer songwriters Many of those who remained interested in traditional folk music styles such as Celtic or Klezmer music tended to be very insular and conservative in their approach rather than linking their chosen genre to a wider world of folk music however more recent attempts at fusion or world music suggest a return to the eclectic spirit of the 1960s folk revival Thus from 1945 to 1980 folk music in Canada and America experienced an evolving and complex relationship with the concepts of nation and national identity Students will find the book useful as an introduction not only to key themes in the folk revival but also to concepts in the study of national identity and to topics in American and Canadian cultural history Academic specialists will encounter an alternative

perspective from the more general broad approach offered by earlier histories of the folk revival movement America's Folklorist Lawrence R. Rodgers, 2014-10-20 Folklorist writer editor regionalist cultural activist Benjamin Albert Botkin 1901-1975 was an American intellectual who made a mark on the twentieth century even though most people may be unaware of it This book the first to reevaluate the legacy of Botkin in the history of American culture celebrates his centenary through a collection of writings that assess his influence on scholarship and the American scene Through his work with the Federal Writers Project during the New Deal the Writers Unit of the Library of Congress Project and the Archive of American Folksong Botkin did more to collect and disseminate the nation's folk cultural heritage than any other individual in the twentieth century This volume focuses on Botkin's eclectic but interrelated concerns work and vision and offers a detailed sense of his life milieu influences and long term contributions Just as Botkin boldly cut across the boundaries between high and low popular and folk this book brings together reflections that range from the historical to the philosophical to the disarmingly personal One group of articles looks at his career and includes the first extended analysis of Botkin's poetry another probes the fruitful relationships Botkin had with leading musicologists composers poets and intellectuals of his day This is also the first book to bring together a collection of Botkin's best known writings giving readers an opportunity to appreciate his wide ranging mind and clear often memorable prose For Botkin the blurring of art and science literature and folklore was not just a philosophy but a way of life This book reflects that life and invites fans and those new to Botkin to appraise his lasting contributions

Long Steel Rail Norm Cohen, 2000 Impeccable scholarship and lavish illustration mark this landmark study of American railroad folksong Norm Cohen provides a sweeping discussion of the human aspects of railroad history railroad folklore and the evolution of the American folksong The heart of the book is a detailed analysis of eighty five songs from John Henry and The Wabash Cannonball to Hell Bound Train and Casey Jones with their music sources history variations and discographies A substantial new introduction updates this edition *Bookman's Manual* Bessie Graham, Hester R. Hoffman, 1958

Encyclopedia of American Folklore Linda S. Watts, 2007 Encyclopedia of American Folklore helps readers explore the topics terms themes figures and issues related to the folklore of the United States

California Folklore Quarterly, 1965 **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library. Research Libraries, 1979 *Folk Song Index* Florence E. Brunnings, 1981

Trains & Travel, 1953 Directory of American Scholars, 1969 **The Folk Music Sourcebook** Larry Sandberg, Dick Weissman, 1976 A guide for the listener collector singer player and devotee of folk music It covers music from string band to bluegrass Canadian Creole Zydeco jug bands ragtime and the many kinds of blues The book evaluates reviews and recommends on such subjects as where to buy records and instruments and places where folk music flourishes Amazon.com

Ozark Folklore Vance Randolph, 1972 *The Journal of American Folklore*, 1988
