Dyer,2010-06 As we contemplate leaving the morning of our life where ego has played a commanding role and entering the afternoon and evening where meaning and purpose replace ambition and struggle we may encounter unexpected occurrences that accompany this new direction It s almost a universal law that we ll experience a fall of some kind Yet these falls or low points provide the energy we need to move away from ego and into a life of meaning and purpose The Shift doesn t mean that we lose our drive and ambition it signifies that we become ambitious about something new We make a commitment to living a life based on experiencing meaning and feeling purposeful rather than a life based on never ending demands and false promises that are the trademark of the ego s agenda
