## Using The Library:

*User's Guide to the Library* Michigan State University. Library, Anita Evans, 1983      **How Do I Use a Library?** Therese Harasymiw, 2014-07-15 Amidst the labyrinthine collection of books where readers and researchers can lose themselves for hours libraries also host a wealth of digital resources allow visitors to check out movies music and video games and organize talks story times and much more This lively volume helps readers navigate the physical and digital bookshelves of libraries explaining the various types of libraries and breaking down how to use library catalogs and classification systems Readers are then guided through a short research project encouraging them to connect information from multiple sources in line with Common Core requirements      **Survey of American College Students** ,2009 college students in the United States evaluate their college library The data in the report is based on a representative sample of more than 400 full time college students in the United States Data is broken out by 16 criteria including gender grade point average major field of study income level of students type and size of college and mean SAT acceptance score of colleges among other variables The report includes data on student satisfaction with electronic reserves the range of databases and periodicals supplied library supplied database use training similar training on library workstations and software reference services photocopiers and printing services and other college library services Just a few of the report s many conclusions are that Satisfaction with library electronic reserve was much greater among students from the higher income groups more to 80% of students from homes with annual incomes of more than 150 000 per year said that they were either satisfied or greatly satisfied Students in the fine and performing arts seem the least satisfied with the provision of items on electronic reserve Less than 40% of them expressed either satisfaction or great satisfaction In general students seemed happy with the range of databases provided by their college library Only 1 54% said that they would greatly dissatisfied and only 2 83% said that they were dissatisfied Students who attend private college were someone more satisfied than students who attended public college More than 73% of students attending private college said that they were either satisfied or greatly satisfied while this was the case for a little more than 60% of public college students      **Library Work** ,1906      *Know Your Library* University of California, Los Angeles.
