## Ussr Corrupt Soc:

**USSR--the Corrupt Society** Konstantin M. Simis,1982 Onthullende studie van een voormalige Russische advocaat over de corruptie in de Sovjet maatschappij

**USSR** Konstantin M. Simis,1982 **The Soviet Polity in the Modern Era** Erik P. Hoffmann,Robbin Frederick Laird, **Civil Society and Corruption** Michael Johnston,Colgate University. Center for Ethics and World Societies,2005-07-19 Strong civil societies play a major role in controlling corruption in many societies and reformers agree that citizens both individual and organized should be involved in reform But accomplishing that goal has proven difficult Some civil societies are weak divided and impoverished In others undemocratic regimes dominate through intimidation And in still others development difficulties international debt and misguided aid efforts stop reform before it can begin Too often anti corruption campaigns do not engage social values or attack corruption as people experience it every day This volume based on a yearlong series of events sponsored by Colgate University s Center for Ethics and World Societies analyzes civil society and corruption from several perspectives and in several parts of the world One section considers corruption as a fact of everyday life a second analyzes techniques and incentives involved in mobilizing civil society and a third provides a unique guide to information resources on corruption and reform

*Grand Corruption* Robert I. Rotberg,Fen Osler Hampson,2024-08-30 This book examines the nature causes and consequences of grand corruption showing how it can be assessed measured and attacked from within and without The volume brings together in a single definitive text some of the best analyses on how to measure the costs of grand corruption and dissects the legal approaches and institutions to counter grand corruption and kleptocracy Through a series of compelling country case studies the book explores how corrupt political elites and public officials have stolen from the public purse for personal gain at the expense of their own people and their country s social and economic development It also highlights the role of financial and legal intermediaries in the West in laundering these ill gotten gains The volume then explores the impact of existing legal constraints on controlling corruption some of which are still in the evolutionary stage of development It draws lessons from different national attempts to control corruption as well as regional and international initiatives The final section of the volume discusses a variety of new anti corruption initiatives including efforts to establish an International Anti Corruption Court This book will be of much interest to students of grand corruption global governance foreign policy international law and international relations

**Causes of the Collapse of the USSR** Alexander Dallin,1992 **Community, Identity and the State** Moshe Gammer,2004-08-27 The studies in this volume originated from an international conference on Community Identity and the State held at Tel Aviv University in 2001 The first two chapters examine whether modernisation Westernisation and democratisation are identical and whether democracy is connected to a certain specific type of social structure The third examines similarities in the political economic and social development of Second World and Third World countries while the fourth discusses the relationship between criminal and normal structures in Russian society Subsequent chapters focus on nationalism using case

studies from Argentina Syria and Morocco on the Ulama and national movements in the Middle East on Islamic nationalism in Iran and on the discourse between pan Africanism and Islam The final two chapters examine the effects on tribal politics of the exploitation of oil in Abu Dhabi and the problems of the Kurds in northern Iraq

**Soviet Political Society** Leon P. Baradat,1992 This revised edition examines the Soviet political system from the perspective of geography history cultural factors and social problems as well as from the traditional aspects of the Communist Party and government

*Corruption* Dieter Haller,Cris Shore,2005-05-20 Corruption in politics and business is after war perhaps the greatest threat to democracy Academic studies of corruption tend to come from the field of International Relations analysing systems of formal rules and institutions This book offers a radically different perspective it shows how anthropology can throw light on aspects of corruption that remain unexamined in international relations The contributors reveal how corruption operates through informal rules personal connections and the wider social contexts that govern everyday practices They argue that patterns of corruption are part of the fabric of everyday life wherever we live and subsequently they are often endemic in our key institutions The book examines corruption across a range of different contexts from transitional societies such as post Soviet Russia and Romania to efforts to reform or regulate institutions that are perceived to be potentially corrupt such as the European Commission The book also covers the Enron and WorldCom scandals the mafia in Sicily and the USA and the world of anti corruption as represented by NGOs like Transparency International

**Georgia from National Awakening to Rose Revolution** Jonathan Wheatley,2017-05-15 Jonathan Wheatley examines the tortuous process of regime change in Georgia from the first pro independence protests of 1988 to the aftermath of the so called Rose Revolution in 2004 It is set within a comparative framework that includes other transition countries particularly those in the former Soviet Union The book provides two important theoretical innovations the notion of a regime which is an under theorized concept in the field of transition literature and O Donnell Schmitter and Karl s notion of a dynamic actor driven transition The volume turns to the structural constraints that framed the transition in Georgia and in other republics of the former Soviet Union by looking at the state and society in the USSR at the close of the Soviet period It examines the evolution and nature of the Georgian regime and ultimately addresses the theoretical and empirical problems posed by Georgia s so called Rose Revolution following the falsification of parliamentary elections by the incumbent authorities

**Freedom, Repression, and Private Property in Russia** Vladimir Shlapentokh,Anna Arutunyan,2013-09-02 Demonstrates how the emergence of private property and a market economy after the Soviet Union s collapse enabled a degree of freedom while simultaneously supporting authoritarianism

**The Soviet and Post-Soviet Review** ,1993

**The Soviet Administrative Elite** Kenneth C. Farmer,1992-04-16 An analytical study of the Soviet political elite as a body from 1917 to 1990 Focusing on the changing structure of the elite it is based partly on Kenneth C Farmer s database consisting of biographical and career data on over 1500 high level leaders

**Comparative Politics** Rolf H. W. Theen, Frank Lee Wilson,1992

**Russia, the USSR, and**

**Eastern Europe** Stephan M. Horak,1987    *Intelligence Report* ,1982    **Inquiry** ,1982    **Occasional Paper** ,1977  
**Midstream** ,1986    *Radio Free Europe Research* ,1987-08
