## Utah Slaughter:

**Livestock Market News, Statistics and Related Data**, 1964 Walker, Richard E. Turley, Glen M. Leonard, 2011-02-09 On September 11 1857 a band of Mormon militia under a flag of truce lured unarmed members of a party of emigrants from their fortified encampment and with their Paiute allies killed them More than 120 men women and children perished in the slaughter Massacre at Mountain Meadows offers the most thoroughly researched account of the massacre ever written Drawn from documents previously not available to scholars and a careful re reading of traditional sources this gripping narrative offers fascinating new insight into why Mormons settlers in isolated southern Utah deceived the emigrant party with a promise of safety and then killed the adults and all but seventeen of the youngest children The book sheds light on factors contributing to the tragic event including the war hysteria that overcame the Mormons after President James Buchanan dispatched federal troops to Utah Territory to put down a supposed rebellion the suspicion and conflicts that polarized the perpetrators and victims and the reminders of attacks on Mormons in earlier settlements in Missouri and Illinois It also analyzes the influence of Brigham Young s rhetoric and military strategy during the infamous Utah War and the role of local Mormon militia leaders in enticing Paiute Indians to join in the attack Throughout the book the authors paint finely drawn portraits of the key players in the drama their backgrounds personalities and roles in the unfolding story of misunderstanding misinformation indecision and personal vendettas The Mountain Meadows Massacre stands as one of the darkest events in Mormon history Neither a whitewash nor an expos Massacre at Mountain Meadows provides the clearest and most accurate account of a key event in American religious history *The Pacific Reporter*, 1923 **Livestock, Meat, Wool, Market News** United States. Agricultural Marketing Service. Livestock Division, 1965-07 **Utah State Bulletin**, 2011 the official noticing publication of the executive branch of Utah State Government **Our Vanishing Wild Life** William Temple Hornaday, 1913 William Temple Hornaday was the Director of the New York Zoological Society and the nation s leading advocate of wildlife conservation in this era This unsparing manifesto was written to accompany Hornaday s launching of the Permanent Wildlife Protection Fund it is thus in the words of the historian Stephen Fox both a campaign tract and one of the first books wholly devoted to endangered wild animals John Muir and His Legacy The American Conservation Movement Boston Little Brown and Company 1981 p 149 It is also a landmark of conservation history which had a profound effect on the thought of Aldo Leopold among others The book surveys the history and causes of wildlife destruction in America and elsewhere and sets forth a lengthy program to ensure the protection of remaining wildlife for the future often in militant and moralistic terms The work also throws light on some of the complexities inherent in the conservation movement at this time for example Hornaday accepts the classification of certain bird and mammalian predators as noxious or vermin and appropriate for destruction pp 77 81 there is no criticism here of the massive campaign for the extermination of wolves and coyotes being sponsored at the time by the Bureau of Biological Survey On a

more general level Hornaday's fulminations against Italian immigrants as incorrigible bird killers suggest a connection between nativism and conservationism while his excoriations of market hunters set forth a deeply rooted class bias shared by many leading conservationists
