encouraging yells to each other and Guard said that Sioux and Cheyennes were allied in the attacking force all of whom appeared to be in great glee at the prospect of a scalping entertainment In describing his arranged meeting with Sitting Bull Finerty noted that I have followed Sitting Bull around long enough and now I shall behold the lion in his den in earnest Soon afterward an Indian mounted on a cream colored pony and holding in his hand an eagle s wing which did duty for a fan spurred in back of the chiefs and stared stolidly for a minute or so at me His hair parted in the ordinary Sioux fashion was without a plume His broad face with a prominent hooked nose and wide jaws was destitute of paint His fierce half bloodshot eyes gleamed from under brows which displayed large perceptive organs and as he sat there on his horse regarding me with a look which seemed blended of curiosity and insolence About the author John Frederick Finerty 1846 1908 was a U S Representative from Illinois Born in Ireland Finerty immigrated to the United States in 1864 He enlisted in the Union Army during the Civil War serving in the New York State Militia He was a war correspondent for the Chicago Times in the Sioux War of 1876 in the Northern Indian Sioux War of 1879 in the Ute campaign of 1879 and afterward in the Apache campaign of 1881 He was a correspondent in Washington D C during 1879 1881 He established the Citizen a weekly newspaper in Chicago in 1882

*White Hat* Mark J. Nelson, 2018-10-18 Best known for his role in the arrest and killing of Crazy Horse and for the book he wrote *The Indian Sign Language* Captain William Philo Clark 1845-1884 was one of the Old Army's renaissance men by turns administrator, fighter, diplomat, explorer, and ethnologist. As such, Clark found himself at center stage during some of the most momentous events of the post-Civil War West: from Brigadier General George Crook's infamous Starvation March to the Battle of Slim Buttes and the Dull Knife Fight, then to the attack against the Bannocks at Index Peak and Sitting Bull's final fight against the U.S. Army. Captain Clark's life story, here chronicled in full for the first time, is at once an introduction to a remarkable figure in the annals of nineteenth-century U.S. history and a window on the exploits of the U.S. Army on the contested western frontier. *White Hat* follows Clark from his upbringing in New York State to his life as a West Point cadet through his varied army posts on the northern plains and finally to his stint in Lieutenant General Philip Sheridan's headquarters, first in Chicago and later in Washington, D.C. Along the way, Mark J. Nelson sets the record straight on Clark's controversial relationship with Crazy Horse during the Lakota leader's time at Camp Robinson, Nebraska. His book also draws a detailed picture of Clark's service at Fort Keogh, Montana Territory, including what is arguably his greatest success: the securing of Northern Cheyenne leader Little Wolf's peaceful surrender. In telling Clark's story, *White Hat* illuminates the history of the nineteenth-century American military and the Great Plains, including the Grand Duke Alexis's buffalo hunt, the Great Sioux War, and the careers of Crook and Sheridan. Nelson's examination of Clark's early years in the army offers a rare look at the experiences of a staff officer stationed on the frontier and expands our view of the army as well as the United States westward march.
