

“WAR IS A RACKET

It is possibly the oldest, easily the most profitable, surely the most vicious. It is the only one international in scope. It is the only one in which the profits are reckoned in dollars and the losses in lives. . .

A RACKET is best described, I believe as something that is NOT what it seems to be to the majority of people. Only a small “inside” group knows what it is really about.

It is conducted for the benefit of the very few, at the expense of the very many.

Out of WAR a few people make huge fortunes.”

Major General Smedley D. Butler, 1935
U.S. Marine Corps,
Two-time winner Congressional Medal of Honor
