War Of Lost Opportunities:

The War of Lost Opportunities Max Hoffman,1924 The War of Lost Opportunities Max Hoffman,1924 The War of Lost Opportunities Max Hoffman,1924 The War of Lost Opportunities Hoffman von (General.),1924 *Ordnance*,1926 *Army Ordnance* ,1926 Brigades of Gettysburg Bradley M. Gottfried,2012-02-12 Using a wealth of first hand accounts author Bradley M Gottfried pieces together each brigade s experience at Gettysburg Whether stories of forced marches weary troops or the bitter and tragic end of the battle you ll experience every angle of this epic battle Learn what happened when the guns stopped firing and the men were left with only boredom and dread of what was to come This collection is a lively and fascinating narrative that empowers the everyday men who fought furiously and died honorably Every detail of the Battle of Gettysburg is included in this comprehensive chronicle **War Diaries and Other Papers** Max Hoffmann,1929 Arming the Western Front Roger Lloyd-Jones,M.J. Lewis,2016-06-10 The First World War was above all a war of logistics Whilst the conflict will forever be remembered for the mud and slaughter of the Western Front it was a war won on the factory floor as much as the battlefield Examining the war from an industrial perspective Arming the Western Front examines how the British between 1900 and 1920 set about mobilising economic and human resources to meet the challenge of industrial war Beginning with an assessment of the run up to war the book examines Edwardian business state relations in terms of armament supply It then outlines events during the first year of the war taking a critical view of competing constructs of the war and considering how these influenced decision makers in both the private and public domains This sets the framework for an examination of the response of business firms to the demand for shells more shells and their varying ability to innovate and manage changing methods of production and organisation The outcome a central theme of the book was a complex and evolving trade off between the quantity and quality of munitions supply an issue that became particularly acute during the Battle of the Somme in 1916 This deepened the economic and political tensions between the military the Ministry of Munitions and private engineering contractors as the pressure to increase output accelerated markedly in the search for victory on the western front The Great War created a dual army one in the field the other at home producing munitions and the final section of the book examines the tensions between the two as the country strove for final victory and faced the challenges of the transition to the peace time economy *Memories and Studies of War and Peace* Archibald Forbes,1895 **The Army Quarterly** ,1930 **Passage Through Armageddon** W. Bruce Lincoln,1994 Invaded by foreign armies and threatened by the terrors of civil strife Russia s leaders mobilized more than fifteen million fighting men between 1914 and 1918 only to find that at least a quarter of them had no boots rifles or ammunition With field casualties soaring into the millions scourges of starvation and disease joined the enemy s guns to double and treble Russia s human losses Never in modern history had war so devastated a nation Recounting the tale of the Russians passage through the shattering experience of the First World War and the revolutions of 1917 W Bruce Lincoln

offers a profoundly intelligent and detailed chronology of the watershed events and devastating hardships that led to the Bolshevik Revolution Mining an abundance of resources including letters diaries memoirs government reports military dispatches and testimony given to the revolution s first Supreme Commission of Inquiry he allows the reader to step directly into army headquarters state council chambers boudoirs trenches and underground revolutionary hideaways of the men and women who shaped the events of this crucial era **War, Civilization and the Churches** Chapman Cohen,1930

Personal Narratives of Events in the War of the Rebellion Rhode Island Soldiers and Sailors Historical Society,1879

Memoires and Studies of War and Peace Archibald Forbes,1896 **A Practitioner's Guide To International Tax Information Exchange Regimes** Harriet Brown,Grahame Jackson,2021-09-01 The recent introduction of the Directive on Administrative Cooperation in the field of taxation 6 DAC6 and mandatory disclosure regimes by many jurisdictions have led to a large number of professionals potentially being required to disclose information in relation to their clients arrangements The authors analyse the operation of the various automatic exchange of information regimes which have been introduced in the last five years including the OECD common reporting standards DAC6 and MDR They set them in their historical context as well as giving a technical analysis of the regimes They focus on the guidance offered by the Irish and UK tax authorities with reference to other guidance in Europe and beyond where appropriate **A History of the Civil War in the United States, 1861-5** Walter Birkbeck Wood,Sir James Edward Edmonds,1908 **Battles and Leaders of the Civil War** Robert Underwood Johnson,Clarence Clough Buel,1888 **The British Navy in Adversity** William Milbourne James,1926 *After Pretoria: the Guerilla War* Herbert Wrigley Wilson,1902
