WAR OF THE WING-MEN

AN ADVENTURE CLASSIC
BY ONE OF
SCIENCE FICTION'S
MOST HONORED NOVELISTS!

War Of The Wing Men

General Society of Colonial Wars (U.S.)

War Of The Wing Men:

War of the Wing-men Poul Anderson, 1976 Aces, Warriors and Wingmen Wayne Ralph, 2008-09-11 A celebration and a tribute to the warriors of the air who as young men served their country with unselfish devotion Hear their words Join these young Canadians in combat AN EXCERPT FROM THE ACCOUNT OF GROUP CAPTAIN RAYNE SCHULTZ 410 SQUADRON It was heading home very fast a Junkers 188 in thin cloud well out over the North Sea We hit it badly and it was flaming two three hundred yards of flames streaming behind my navigator being a serious minded individual said Let s get in closer and take a good look at it as it is a different type of aircraft and I can report on it when we get down So I closed in which was the stupidest thing I ever did The mid upper gunner was not dead he was sitting inside of the flames The next thing I saw the gun traversing down toward us I broke as fast as I could but he put forty to forty four 13mm cannon shells into us I had pistons blown out of one engine and the constant speed unit blown out in the other We were going to bail out We jettisoned the door and the navigator was halfway out when the chap came back from the Ground Control Intercept GCI and said There is a Force 9 to 10 sea and we will never be able to rescue you So we brought that aircraft back to Bradwell Bay and I can tell you it near flew again My navigator was wounded bleeding from the face I could see the engines running red hot one was actually running on molten metal the whole thing glowing inside The air bottles were shot away and I had no brakes for landing The Mosquito was in ribbons **The Circle War** Mack Maloney, 2013-06-18 DIV Flying over a shattered nation ace pilot Hawk Hunter comes face to face with his greatest enemy divDIV The United States may have defeated the Soviet Union in the Battle for Western Europe but the Russians ended World War III with a nuclear sneak attack that shattered America into a collection of warring states dominated by criminals fascists and pirates Air power rules all in the New Order and pilots like Hawk Hunter are the only form of law divDIV divDIV One of the most decorated pilots of the old US Air Force he flies for the Pacific American Air Corps a loose group of flyboys who have taken it upon themselves to safeguard what remains of US borders Flying his U 2 over the frozen tundra late one night Hunter detects something on his infrared camera fifty jet fighters accompanied by a full scale invasion force And their sides bear the emblem that frightens him most the red star of the Soviet Union World War IV is about to begin divDIV divDIV The Circle War is the second book of the Wingman series which also includes Wingman and The Lucifer Crusade div **Feminism Beyond Left and Right** Holly Lawford-Smith, 2025-07-14 An unquestioned assumption of contemporary politics is that the left owns minority groups in the sense that the left exclusively champions the interests of minorities and is for that reason owed the allegiance of minorities This in turn gives rise to the sense of dissonance created by right wing dissenters the black social conservative the gay ultra nationalist the female libertarian the poor pro capitalist This same dissonance exists for women and feminism creating a default assumption that a feminist is a left wing woman We don t make a distinction between left wing feminists and feminists we don t need to There s nothing a philosopher loves more than an unquestioned assumption and in this book

political philosopher Holly Lawford Smith systematically dismantles the assumption that feminism is an exclusively left wing project Once dismantled the path is clear to a new set of questions Who counts as a feminist in the first place If women from anywhere on the political spectrum can be feminists who is it that feminists should or shouldn t be working with And what can be said more generally about the ethics of alliances and coalitions In *Feminism Beyond Left and Right* Lawford Smith makes the case for non partisan feminism feminism outside the constraints of the left right political spectrum a feminism for and about all women as women
