Warriors Blood:

Blood Slaves Markus Redmond,2025-07-29 For readers of Victor LaValle Tananarive Due Stephen Graham Jones and Colson Whitehead s *The Underground Railroad* this ingenious reimagining of the vampire origin story set during the early days of American slavery blends alternate history with supernatural horror as the last surviving member of an ancient African vampire tribe meets a slave desperate for freedom and together they lead an army of enslaved people in a cinematically blood soaked battle for freedom and revenge What if nobody ever freed the slaves because they freed themselves 150 years before the Civil War In the Province of Carolina 1710 freedom seems unattainable for Willie for his beloved Gertie and for their unborn child They live suffer and toil under their brutal master James Big Jim Barrow whose grand plantation was built by the blood sweat and tears of the enslaved To flee this hell on earth is be hunted and killed Until one strange night Willie is offered a dark hope by Rafazi an enigmatic slave with an irresistible and blood chilling path to liberation Hailing from the Kingdom of Ghana Rafazi is the lone survivor of the Ramanga an African vampire tribe rendered nearly extinct by plague Rafazi has roamed the world for centuries with an undying desire to replenish the power that once defined his heritage In Willie Rafazi has found his first biddable subject to be turned and to help in a hungry revolt And Willie desires nothing more than to free his people from malicious bondage Whatever it takes One by one as an army of blood slaves thirsting for revenge is gathered the headstrong Gertie fears that no good can come from the vampiric legacy that courses through Rafazi s veins Willie knows that only evil can fight evil And when the woman he loves stands between the reemergence of the Ramanga and the justified slaughter of the oppressors Willie must make an irreversible decision Only one thing is certain on the Barrow plantation and beyond blood will spill Part historical drama part supernatural horror and part alternate history *Blood Slaves* is an ingenuous and defiant new creation myth of the vampire one rooted in both justice and the sometimes violent means necessary to achieve it
