Wars Of Former Yugoslavia:

Conflict in the Former Yugoslavia John B. Allcock, Marko Milivojević, John J. Horton, 1998 This timely easy to use reference work surveys the origins development people places events concepts and treaties and agreements pertaining to the conflict in the former Yugoslavia in the 1990s Features include an introduction illustrations maps a chronology extensive cross references a summary of the Dayton Agreements a bibliography and an index *The Wars of Former Yugoslavia* David Taylor, 2002-10 Describes the wars that erupted in Yugoslavia in 1991 soon after the collapse of communism and the end of the Cold War as well as the events leading to this ongoing clash between ethnic groups in the Balkans *The Body of War* Dubravka Žarkov, 2007-09-03 Examines how notions of femininity and masculinity and heterosexual norms produced ethnicity in the disintegration of former Yugoslavia and also looks at how words and images created by the media are just as influential as violent practices in constructing *Reflections on the Balkan Wars* J. Morton, P. Forage, S. Bianchini, R. Nation, 2004-01-16 In this collection scholars policymakers and military officials explore the conditions that gave rise to the Balkan wars in the 1990s the application of international law to the wars the conduct of the wars and post war issues The essays are based on presentations given at the International Conference on the Balkans held at Florida Atlantic University in February 2002 The contributors come from varied backgrounds including international law genocide studies peacekeeping European politics communications history and military studies **The World and Yugoslavia's Wars** Richard Henry Ullman, 1996 What can outside powers do now to help heal the terrible wounds caused by Yugoslavia's wars Why did the victors in the Cold War and the 1991 Gulf War not act to stop the slaughter The nature scope and meaning of the actions and inactions of outsiders is the subject of this book *Global Governance, Conflict and Resistance* F. Cochrane, R. Duffy, J. Selby, 2003-11-27 Since the turn of the millennium resistance to the liberal project of global governance has come to occupy centre stage in global and international politics The Battle of Seattle the 9 11 attacks on New York and Washington and the Bush administration's ambivalent attitude towards multilateralism can all be thought of as conspicuous instances of the growing challenge to global governance *Global Governance Conflict and Resistance* provides a wide ranging series of analyses of such challenges

Prosecuting War Crimes and Genocide Howard Ball, 1999 Combining history politics and critical analysis he revisits the killing fields of Cambodia documents the three month Hutu machete genocide of about 800 000 Tutsi villagers in Rwanda and casts recent headlines from Kosovo in the light of these other conflicts **BOOK JACKET** [The Breakup of Yugoslavia and the War in Bosnia](#) Carole Rogel, 1998 A one stop reference guide to the breakup of Yugoslavia in 1991 the war in Bosnia and the peace settlement [Library of Congress Subject Headings](#) Library of Congress, 1999 **War and Revolution in Yugoslavia, 1941-1945**, 1985 **State, Political Power and Criminality in Civil War** Francisco Gutiérrez-Sanín, José A. Gutiérrez, 2023-07-24 This book revisits and reframes the old but active debate on the relationship between criminality and civil war by bringing both the state and political power into the equation It argues that the terms in which the debate is

generally posed are still inadequate to address the complexities of this relationship showing how criminalisation and de-criminalisation are deeply political and hotly contested processes The shifting movements towards the separation or convergence between criminality and politics are part of the processes of constitution of both political power and state The chapters in the volume flesh out the mechanisms and social dynamics through which this takes place This edited volume will be of great interest to upper level students academics and researchers in Politics History and Criminology The chapters in this book were originally published as a special issue of *Journal of Political Power* *From Stalingrad to Pillau* Isaak Kobylyanskiy, 2008 A vivid and candid memoir from a Ukrainian Jewish soldier in Stalin's Soviet Red Army during its war with Germany The soldier who commanded an artillery battery chronicles an epic wartime journey in an army on the march

The Yugoslav Example Bettina Gruber, 2014 The term Yugoslav Wars or often the Balkan conflict refers to a series of wars in the region of former Yugoslavia which were associated with the break up of that state The Yugoslav Wars resulted in an unimaginable number of dead injured and displaced people They also had a devastating impact on the economy and on the environment Most notably in some of the states which emerged from the conflict people still to this day cannot peacefully coexist with one another Beyond the affected region itself the military conflict also had significant implications for Europe and its member states It destroyed the illusion that Europe had overcome war Perhaps these recent wars have given Europe an impetus to draw lessons from them to find out what really needs to be done to build a peaceful Europe A particular characteristic of this publication is that it does not settle for a single precise analysis of the reasons for war and for post war conflicts Rather peace efforts and peace treaties are analyzed by focusing on their function of preventing conflicts or reducing their extent Emphasis is placed on the efforts of national actors as well as on those of actors in civil society to promote peace policies in the international sphere This collection of articles might for the first time clearly display the political challenges of peace in the context of the collapse of Yugoslavia and its subsequent wars It certainly seeks to illustrate what has been learned and what still needs to be learned for the future *Defense White Paper*, 1993
