A Circular Journey Helen Barolini, 2006 A Circular Journey collects for the first time in one book the essays that most powerfully define the unique gifts of one of America's most distinctive voices These fifteen pieces tracking some thirty years of a writer's life come together to illuminate the stages and themes and places that mark Helen Barolini's art Divided into three closely linked sections Home Abroad Return the essays move through Barolini's worlds Her love of literature began when as a child growing up as an avid reader in Syracuse New York she was presented with a diary and told to write in it Returning to the heritage of her Italian immigrant grandparents she moved to Italy as a young writer There she lived for many years becoming acquainted with the brightest of Italy's literary lights The accomplished poet novelist and critic she became now lives at home in two nurturing cultures America and Italy both The essays are memoirs of her house on a street named for Henry James's grandfather tales of literary journeys from Taos to Taormina and Paris to Rome as the young bride of a poet from the Veneto and later on as a distinguished writer whose explorations of identity and dislocation took her back to Italian inspirations From a delightful account of a writing fellowship in an exquisite villa overlooking the Italian lakes to her first trip back to discover distant family roots in the hills of Calabria Barolini moves lyrically through the generations of her life giving form to the influences that shaped her art and her sense of self as an American a woman and a gifted daughter of the two cultures she has so powerfully imagined Praise for Helen Barolini An impassioned and magnificent contribution to our knowledge of what it has meant and means still to be an ethnic American and woman a book of heroic recovery and affirmation Alice Walker on *The Dream Book* Large in scope in depth and in the gift of narrative Cynthia Ozick on *Umbertina* *Beautiful Day* Elin Hilderbrand, 2013-06-25 A summer wedding stirs up trouble on both sides of the family in this beloved bestseller from the queen of the summer novel People The Carmichaels and the Grahams have gathered on Nantucket for a happy occasion a wedding that will unite their two families Plans are being made according to the wishes of the bride's late mother who left behind The Notebook specific instructions for every detail of her youngest daughter's future nuptials Everything should be falling into place for the beautiful event but in reality things are falling apart While the couple to be are quite happy their loved ones find their lives crumbling In the days leading up to the wedding love will be questioned scandals will arise and hearts will be broken and healed Elin Hilderbrand takes readers on a touching journey in *Beautiful Day* into the heart of marriage what it means to be faithful and how we choose to honor our commitments *Midlife Crisis at 30* Lia Macko, Kerry Rubin, 2004-03-18 At 30 Former vice presidential candidate Geraldine Ferraro was a stay at home mother Founder and CEO of Oxygen Media Geraldine Laybourne was working at a public interest think tank for teachers Political strategist Mary Matalin was a first year law student and about to drop out And months prior to her thirtieth birthday financial strategist and

bestselling author Suze Orman was working as a waitress making 400 a month Decades later these Boomer women and many others have reached the pinnacles of their professions So why do Gen X Y women feel such pressure to have the perfect career body husband and kids by the time they are at or around 30 Why has 30 become such a make or break moment As the generation that came of age after the most visible glass ceilings had been broken Gen X Y women were raised to believe in futures without limitations Yet as journalists Lia Macko and Kerry Rubin reveal in their fascinating investigation many women have distorted the well intentioned empowerment messages of their youth and are quietly blaming themselves when they fail to overcome the very real obstacles that still exist in our society Though many Gen X Y women are hitting the same roadblocks at the same time instead of questioning what s wrong with the system as Boomer women did in their twenties they re questioning their own choices Searching for solutions Macko and Rubin have enlisted the aid of the New Girls Club a group of successful satisfied women who ve lived through their own crossroads moments earned their battle scars and now share their stories and strategies While today s young women may indeed be a generation in the middle of a Midlife Crisis at 30 they now have a dream team of mentors to help guide them through it
