A Waste of Space Madeleine Helie,2020-01-13 Many of us have goals in life no matter if we are 5 or 90 We plan ahead from school to retirement But unfortunately some people have no goals or ambitions whatsoever They live in a vacuum and waste space they neither help nor hinder anyone But what if such a person has children What impact does such a person have on them Self preservation is the name of the game

A Waste of Space Natasha Warwick,2015-04-01 *Waste of Space* Gina Damico,2017-07-11 Cram ten hormonal teens into a spaceship and blast off that s the premise for the ill conceived reality show Waste of Space The kids who are cast know everything about drama and nothing about the fact that the production is fake Hidden in a desert warehouse their spaceship replica is equipped with state of the art special effects dreamed up by the scientists partnering with the shady cable network airing the show And it s a hit Millions of viewers are transfixed But then suddenly all communication is severed Trapped and paranoid the kids must figure out what to do when this reality show loses its grip on reality

A Columbus of Space Garrett Putman Serviss,1911 I am a hero worshiper an insatiable devourer of biographies and I say that no man in all the splendid list ever equaled Edmund Stonewall You smile because you have never heard his name for until now his biography has not been written And this is not truly a biography it is only the story of the crowning event in Stonewall s career Really it humbles one s pride of race to see how ignorant the world is of its true heroes Many a man who cuts a great figure in history is after all a poor specimen of humanity slavishly following old ruts destitute of any real originality and remarkable only for some exaggeration of the commonplace But in the case of Edmund Stonewall the world cannot be blamed for its ignorance because as I have already said his story remains to be written and hitherto it has been guarded as a profound secret I do not wish to exaggerate yet I cannot avoid seeming to do so in simply telling the facts If Stonewall s proceedings had become Matter of common knowledge the world would have been I must speak plainly revolutionized He held in his hands the means of realizing the wildest dreams of power wealth and human mastery over the forces of nature that any enthusiast ever treasured in his prophetic soul
