Quest-Search for a Quality Life , Finding Neema Juliet Reynolds,2013-07-20 Finding Neema is the singular story of an autistic boy of Nepali Tibetan ethnicity brought up by the author and her Indian husband It recounts the couple s unplanned adoption of Neema the son of their maid Poonam their efforts to have his autism diagnosed and treated and Neema s emergence into adulthood as a valuable though still dependent human being Delving into Neema s tormented early life and background the book touches upon some of the more lurid aspects of developing world poverty and introduces us to an assorted cast of characters some appealing and some appalling but all of them colourful Important too are the insights into autism which emerge from the writing Autism has become a burning issue of our times on account of its burgeoning incidence and of the many controversies surrounding it but there is very little writing on the subject outside the boundaries of the developed world Narrating Neema s story with compassion frankness and humour and interweaving it with reminiscences of her own unusual marriage and life Juliet Reynolds fills that gap *Strange Son* Portia Iversen,2007 One day Iversen heard about a severely autistic nonverbal boy in India whose mother had taught him to read write and communicate Soma Mukhopadhyay s methods were unorthodox and her tools surprisingly simple just a piece of cardboard with the alphabet written on it but her achievement was astonishing not only could Tito communicate but he had an IQ of 185 and wrote beautiful poetry Iversen realized that Tito could provide an unrivaled window into autism and she organized a visit to the United States for the boy and his mother and arranged for some of the country s top scientists to study him *Strange Son* is the account of these two families and how their personal journeys into autism intersected for a time and allowed Tito to explain to scientists the startling differences in his sensory perception giving them insights that reframed the very definition of autism and challenging everything we thought we knew about it **BOOK JACKET** **Narrative Matters in**

**Medical Contexts across Disciplines** Franziska Gygax,Miriam A. Locher,2015-03-13 This collection of original chapters gives center stage to the concept of narrative in medical contexts The contributors come from the disciplines of literary and cultural studies linguistics psychology and medicine and work with texts as diverse as autobiographies graphic novels Renaissance medical treatises and reports short stories reflective writing creative writing and online narratives The interdisciplinary dialogue shows the richness and scope of the concept narrative and demonstrates how crucial it is for practices in the medical context as well as in the contributing disciplines The collection raises awareness of the great variety and multivocality of narratives on the experience of illness besides paying heed to the many different positions and angles from which these narratives can be perceived read and analyzed The wide range of approaches assembled in this collection provides a comprehensive view on illness and health and on the multiple ways in which they are represented in narrative

**Girls with Autism Becoming Women** Heather Stone Wodis,2018-06-21 This insightful book investigates the

experiences of seven women with autism as they transition from childhood to adulthood and how they make sense of that journey Taken from the autobiographies of women including Liane Holliday Willey and Temple Grandin these accounts shine a light on issues unique to women with autism Heather Stone Wodis provides a detailed and thoughtful exploration of their common experiences and each story offers a new perspective that illuminates the diagnosis from a different angle This is a fascinating look at how generational differences such as access to the internet can provide more avenues toward self expression political mobilization and advocacy It also explores the idea that no matter the era the unyielding support of family and a diagnosis in childhood can help girls with autism transition toward adulthood **The Hindu Index** ,2003

*The Vedanta Kesari* ,2008 **Musings of an Autistic Mind** Darryl Jefferson,2023-08-30 Darryl Jefferson was diagnosed with Asperger s syndrome at the age of eight and encountered many hurdles in life due to the condition Despite this he persevered through many challenges in school work relationships and the military In this story he takes us on a journey through one man s experience of living with autism and its effects on school work relationships friendships and many other life challenges His story culminates in a practicum focusing on autistic clients where he was met with the ultimate self discovery and perhaps the best understanding he could have about his autism And this will all make sense in the end Candid raw insightful heartfelt and humorous this book is sure to enlighten many on and off the autism spectrum [Spectral Lines](#) Rei Ark,2023-06-27 The poetic lines in Spectral Lines comprise the lived experiences of an Autistic Nonbinary Poet with ADHD and other co occurring disabilities From sensory sensitivities and interoception to Autistic joy and specialized interests Rei s poetry features an array of facets that encompass the Autism Spectrum No one Autistic person is the same but it is through their unmasked outpourings that the author hopes to encourage further solidarity amongst Autists and inspire allyship in allistic individuals To find out more about Rei visit their official website at [www.SunreiPoetry.com](http://www.SunreiPoetry.com) or their Instagram pages [Spectral\\_Rei](#) [Sunrei\\_Poetry](#)
