## Watch I Am Coming Soon:

*Chris Unus* Christian Cassarly, Book Description *Christ Unus* by Christian Cassarly For over a decade Christian Cassarly has lived under the weight of a false conviction accused of a crime he did not commit unable to prove his innocence and continually persecuted for an act he has always denied In the face of injustice and silence he turned to the one place where truth never fails the voice of Jesus Christ Over ten years of searching suffering and spiritual transformation Christian authored dozens of books each a piece of his journey toward divine clarity But this book *Christ Unus* is the greatest truth he discovered along the way Drawn entirely from the exact spoken words of Jesus no additions no edits *Christ Unus* weaves the sayings of Christ into full unified teachings that sound as though He is speaking now This sacred manuscript offers a new way to hear Christ not in fragments but in living seamless voice More than a devotional more than a literary achievement this book is a spiritual unveiling a testament not only to the truth of God but to the resilience of those who cling to that truth when the world rejects them Read it Pray it Let it speak Because the truth is in this work and the truth will set you free **I Am** Ann Sowell Brock,2014-12-09 In scripture a person's name epitomizes the very essence of his identity The abundance of God's names in His Word showcases the many aspects of His identity that reflect the ways He meets the daily situations of our lives God desires that we seek Him know Him and understand His ways One can attain a deeper revelation of the majesty of God by what He has revealed about Himself through His names A canvas of His names vividly displays the majesty of His inexhaustible character to one hungry to know Him Gazing into the face of I AM through His names captivates the seeking heart to drink in the thirst quenching beauty of our awesome God I Am is a collection of 366 meditations on the names and attributes of God that reveals the splendor of His character to every heart seeking to know and understand Him I Am invites those who long for new heights of joy and delight in His presence to discover daily revelations about Him to develop a renewed passion to know Him to experience deeper levels of intimacy with Him to create a deeper longing for prayer to Him to build a stronger foundation of faith in Him *Lutheran Companion* ,1920 **The Lost Cause** ,1898 *ARMAGEDDON: An Eschatological Response To Bart Ehrman* Craig Lantz, ThD, PhD,2025-08-16 This book is entitled *ARMAGEDDON* is a theological and critical response to none other than Dr Bart Ehrman Professor Ehrman questions whether or not the Jesus as presented in the book of Revelation is the same Jesus that is presented in the Gospel accounts He concludes that these are two separate versions of Jesus Therefore the book of Revelation does not represent the Jesus of the Gospels The God of Revelation is a mean wrathful vindictive and blood thirsty God This Jesus in Revelation is not at all merciful forgiving and peaceful There are serious claims and this book is a response to these pejorative claims In this book the author will explain that Jesus is not just a one dimensional being The author will explain the fullness of what Jesus spoke of in the Gospels that will acquit Him of these pejorative charges This book will defend the integrity and character of the Lord Jesus Christ and present the full picture of His nature and character The prophetic passages and parables that Jesus spoke of will find their

ultimate fulfillment in the book of Revelation Rather than seeing the book of Revelation as a book that should not have been included in the New Testament the author argues that Revelation is the final capstone and fulfillment of everything Jesus said about Hell and fire in the Final Judgment The righteous have nothing to fear The wealth of the wicked in the Babylon of Revelation is stored up for the righteous Our God will be vindicated and acquitted of these criminal charges that indict His character of love mercy and forgiveness Professor Ehrman an adversary of the truth will be knocked off his ivory tower and proven wrong about his claims and conclusions about Jesus
