We Came A Marching123:

Counting Books are More Than Numbers Patricia Roberts,1990 Grade level 1 2 3 k p e t 'A Mere Matter of Marching' James M. Perry,2011-04-01 For 124 years from 1690 to 1814 Americans were besotted with the notion that it would take a mere matter of marching in Thomas Jefferson's words to seize Canada and add it to their union The marching began in colonial times in 1690 when Americans angered by French led Indian attacks on their frontier outposts retaliated by sending an expedition to lay siege to Quebec the capital of New France They sailed home when they ran out of ammunition and rum In 1745 another and much larger colonial expedition set sail with the help of the British Royal Navy to attack the great French fortress at Louisbourg and managed to capture it leading Americans to believe for years to come they were better soldiers than they really were Serious marching this time against the new British rulers of Canada took place during the American Revolution and the War of 1812 Ethan Allen started it all in 1775 by attacking Quebec with a scratch force of untrained soldiers He was captured and thrown in prison Richard Montgomery and Benedict Arnold led armies that seized Montreal but were turned back at Quebec Montgomery was killed and Arnold wounded Inept and poorly led American armies invaded Canada again and again during the War of 1812 It wasn't until Tecumseh was dead and Winfield Scott was in command of a well disciplined army the first in American history that Yankee soldiers were able to stand up to British regulars The army in the end was saved by the navy which won significant victories on Lakes Erie and Champlain Canada emerged from the war a distinctive nation that to this day harbors a certain ambivalence in its thinking about its powerful neighbor to the south
