We Wuz Robbed! Bud Greenspan,1976-01-01 *We Wuz Robbed* Dick Farricker,Steve Farricker,1963 **We Were Deceived** Desiree Alcantara,2020-06-09 This is a book about the journey of a woman who was diagnosed with chronic schizophrenia in 1996 and declared incurable by science and condemned to a lifetime of medications and psychiatric institutions In this book you will go along with her in her journey and learn how it was that Jesus Christ delivered her from a legion of demons and how she not only got completely healed from schizophrenia but she also graduated from college with a degree in psychology and from a Christian Bible Institute as a minister In her journey to find the truth she discovered through the guidance of the Holy Spirit that many of the things she was being taught in her schools were wrong and far from the truth and how society has been deceived in general with the feminist movement to set mothers up to abandon their children so that the children will be indoctrinated and mind controlled with music movies false teachings from churches and the public school system which is designed to dumb children down and to program them to obey their system Like this they can produce more mentally ill people that end up consuming their medications and never getting healed as a result of not addressing the issue spiritually and with the power of Christ and His truth In this book I present many news articles to proof that the feminist movement is a fraud and the verses of the Bible to show that the will of God for women was that they be home with their children I show the importance of mothers staying home with their kids and the devastating effect that the working mothers are having upon their children I also show many of the things that the enemy has been doing to program our society to accept his ways and go astray from the ancient biblical ways of our Lord Jesus Christ The main point of this book is to show the church that the enemy has infiltrated our pulpits and that they have changed and twisted our scriptures and lead the flock to live a lukewarm Christian life We must repent and come back to the truth and acknowledge that we are in apostasy and the judgment of God is coming upon the world as a result of our apostasy I believe we are living in the last days and the great tribulation is about to start and the coming of our Lord Jesus Christ is imminent Soon the lifestyle of luxury and comfort that we are used to here in America will be stripped away and the enemy is getting ready to rule over us for the short period of time that he was granted from God Also my book is to show everyone also how it was that we have allowed the enemy to get so much control of our lives and why it is that God allowed him to get away with doing so Because of our rebellion and disobedience the enemy now is getting ready to take over and create a New World Order and a One World Religion which excluded the truth of Jesus Christ This is a book to awaken the masses from their spiritual slumber and to bring the kind of repentance that will unleash the spiritual revival the Lord Jesus Christ expects to harvest right before He comes to rapture His bride **Fighting Talk** Bob Jones,2013-08-16 From A Low Blow to Went the Distance a fascinating and lively examination of the regular use of terms from the boxing ring in our everyday language Have you ever stopped to notice how often your local newspaper or favourite magazine uses the terms On the Ropes The Gloves Are Off and Knockout

Punch How often TV newsreaders will say that a politician has Thrown His hat in the Ring is a Big Hitter is Taking it on the Chin is Down for the Count or has the Killer Instinct Knight of the realm leading businessman colourful and controversial commentator and boxing aficionado Sir Robert Bob Jones certainly has Over a period of years he made careful note of how often terms cropped up and then retraced their etymological origins in boxing history The result is a lively entertaining and thought provoking miscellany of boxing terms that are now part of our everyday English language Some have strayed far from their original meanings others are more frequently in use now than at any other time Jones asks why that might be and his answers are well a knockout
