

The Best time to visit Ireland

November, December

For a Christmassy buzz, Christmas markets kick off during the 2nd/3rd week in November. The days are short, cold + often wet.

January, February

For those on a budget, these are 'low demand' months. Hotels + flights are cheaper. The days are short and often wet and wintry.

March, April, May

For those looking to dodge the busy summer and the coldest winter months, Spring has sprung. Days are longer, warmer + peak prices have yet to hit.

June, July, August

For those who don't mind peak crowds + peak prices. Expect long mild days, endless Festivals + a summery buzz about the place.

September, October

For those looking for less crowds (kids are back to school), lower prices (it's out of peak season) and cool, crisp weather (October has the added bonus of its orange leaves).
