Libros de sangre II Clive Barker, 2012-03-30 Los relatos reunidos en este volumen han conmocionado a los lectores m s veteranos de libros de terror porque no repiten ninguno de los t picos del g nero y cada historia abre las compuertas a una forma in dita de espanto como Las pieles de nuestros padres Los nuevos cr menes de la calle Morgue Hijo del celuloide Rex Cabezacruda Confesiones del sudario de un porn grafo Cabezas de turco y Restos humanos [Rethinking Regionalism](#) Fredrik Söderbaum, 2017-10-25 Since the late 1980s there has been a global upsurge of various forms of regionalist projects The widening and deepening of the European Union EU is the most prominent example but there has also been a revitalization or expansion of many other regionalist projects as well such as the African Union AU the Association of

Southeast Asian Nations ASEAN the North American Free Trade Agreement NAFTA and the Southern Common Market Mercosur More or less every government in the world is engaged in regionalism which also involves a rich variety of business and civil society actors resulting in a multitude of regional processes in most fields of contemporary politics In this new text Fredrik S derbaum draws on decades of scholarship to provide a major reassessment of regionalism and to address questions about its origins logic and consequences By examining regionalism from historical spatial comparative and global perspectives Rethinking Regionalism transcends the deep intellectual and disciplinary rivalries that have limited our knowledge about the subject This broad ranging approach enables new and challenging answers to emerge as to why and how regionalism evolves and consolidates how it can be compared and what its ongoing significance is for a host of issues within global politics from security and trade to development and the environment Retaining a balanced and authoritative style throughout this text will be welcomed for its uniquely comprehensive examination of regionalism in the contemporary global age
