Knight,1976      **Ogden** John R. Sillito,Sarah Langsdon,2008 In 1845 Miles Goodyear founded a settlement at Fort Buenaventura located near the confluence of the Weber and Ogden Rivers The area was renamed Ogden in 1851 by Mormon Church president Brigham Young after Peter Skene Ogden a Hudson s Bay Company fur trapper Ogden prospered as an agricultural town and then thrived with the arrival of the railroads when the growing community often referred to as Junction City became a major railroad hub Union Station became a well known landmark surrounded by rowdy gambling houses and brothels as well as ethnically diverse residential neighborhoods Since 1889 Ogden has also been an important center of higher education and it is now home to Weber State University World War II brought Ogden into the modern era as a transportation and military center with the establishment of Hill Air Field Defense Depot Ogden and the Naval Supply Depot      *Legendary Locals of Ogden, Utah* Sarah Langsdon,Melissa Johnson,2012 A family venture Ogden s pioneer portraits Business booms Ogden s industries Service in aid and need public servants Give us teachers a rally for education Military service at home and abroad Voices of the people local and national leaders Service and sisterhood women s organizations Out and about in Ogden culture and recreation What a contrast famous and infamous

**The Mormon Hierarchy** D. Michael Quinn,1997-01-15 The Mormon church today is led by an elite group of older men nearly three quarters of whom are related to current or past general church authorities This dynastic hierarchy meets in private neither its minutes nor the church s finances are available for public review Members are reassured by public relations spokesmen that all is well and that harmony prevails among these brethren But by interviewing former church aides examining hundreds of diaries and drawing from his own past experience as an insider within the Latter day Saint historical department D Michael Quinn presents a fuller view His extensive research documents how the governing apostles seventies and presiding bishops are likely to be at loggerheads as much as united These strong willed independent men like directors of a large corporation or supreme court justices lobby among their colleagues forge alliances out maneuver opponents and broker compromises There is more clandestine political activities investigative and punitive actions by church security forces personal loans from church coffers later written off as bad debts and other privileged power vested activities Quinn considers the changing role and attitude of the leadership toward visionary experiences the momentous events which have shaped quorum protocol and doctrine and day to day bureaucratic intrigue from the time of Brigham Young to the dawn of the twenty first century The hierarchy seems at root well intentioned and even at times aggressive in fulfilling its stated responsibility which is to expedite the Second Coming Where they have become convinced that God has spoken they have set

aside personal differences offered unqualified support and spoken with a unified voice This potential for change when coupled with the tempering effect of competing viewpoints is something Quinn finds encouraging about Mormonism But one should not assume that these men are infallible or work in anything approaching uninterrupted unanimity *Encyclopedia of Latter-Day Saint History* Arnold K. Dastrup, 2003 Utah in the Twentieth Century Brian Q. Cannon, Jessie Embry, 2009-06-15 The twentieth could easily be Utah s most interesting complex century yet popular ideas of what is history seem mired in the nineteenth One reason may be the lack of readily available writing on more recent Utah history This collection of essays shifts historical focus forward to the twentieth which began and ended with questions of Utah s fit with the rest of the nation In between was an extended period of getting acquainted in an uneasy but necessary marriage which was complicated by the push of economic development and pull of traditional culture demand for natural resources from a fragile and scenic environment and questions of who governs and how who gets a vote and who controls what is done on and to the contested public lands Outside trade and a tourist economy increasingly challenged and fed an insular society Activists left and right declaimed constitutional liberties while Utah s Native Americans become the last enfranchised in the nation Proud contributions to national wars contrasted with denial of deep dependence on federal money the skepticism of provocative writers with boosters eager for growth and reflexive patriotism somehow bonded to ingrained distrust of federal government **The Centennial History of Oregon, 1811-1912** Joseph Gaston, 1912 **Centennial History of Summit County, Ohio and Representative Citizens** William B.
