The Apostolic Rising Jay Leach, 2021-02-05 IF YOU KNOW WHAT YOU ARE DOING IS WRONG WHY CONTINUE TO TRAIN OTHERS TO DO THE SAME The Church is not only the community of the redeemed but also the redeeming community of the lost We are not only commanded by our Lord and Savior but also impelled by the indwelling Spirit of God to declare the message of God s redeeming love and reconciliation in Jesus Christ to all peoples I see a new apostolic generation rising in the earth today who are radically Christ centered Acts 1 8 This Spirit filled new wineskin will hold the new wine God is pouring out The new is simply a restoration of what has been lost for 2000 years What we need most is a renewal of the understanding practice and commitment to the Great Commission of the early apostolic church of whom it was reported They turned the world upside down Many local churches are offering institutional religious substitutes Dr Leach argues Pastors If what you are doing is wrong unbiblical and you know it why do you continue to train others to do the same He insists that we are trying build Christ s Church and kingdom without Him using man made standards plans and blueprints If Christ is really the true foundation of what you are building why can t your instructions be found in the Letters and the Book of Acts Displaying His love Jesus counsels As many as I love I rebuke and chasten Therefore be zealous and repent He who has an ear let him hear what the Spirit says to the churches Revelation 3 19 22

For His Glory Jay Leach, 2021-03-03 DO NOT BE FOOLED The Church the body of Christ has stood both spiritually and biblically through a long history of effective ministry Empowered and gifted by the Holy Spirit and the Word of God the local church is still standing We find the church challenged today by a radically changing time the Greek anion refers to a period of time The Apostle Paul warned of the Perilous times to come in the last days the great rejection of God and the sacrificial offering blood that God requires for a bloodless substitute that humanity is willing to give see Genesis 4 3 7 Hebrews 11 4

Grace That Saves JAY R. LEACH, 2014-01-20 WHAT IS THE PROBLEM True Christianity is under siege in America today Satan has spread two of the most evil deceptions in his arsenal secular humanism No God in our society and institutions and religious Christianity No Spirit in the churches Both deny Christs finished work of grace divine favor Things are looking bleak to many people seeking reality They realize that Satan

and his kingdom of darkness are behind Americas chaotic world systems Notice our world of politics world of social action and justice world of education world of finances world of marriage and the family world of sports even the world of weather are distorted and corrupted For the past century we have stood by blindly as Satan has secularized our society and religionized many of our Christian churches Gods people must stand in the gap for this great nation There is hope God is meeting the needs with abundance of living grace through the restored power of the Holy Spirit and restored truths of His Word making leaders and their people the true salt and light through inward transformation and embracing the restored teaching and reality of living grace the finished work of Christ and right relationships in Him Thus God is rising up anointed Para ministries among professing Christians and churches who are hearing what the Spirit is saying to the churches Nothing is too hard for God Webster's New Explorer Large Print Dictionary ,2000 *Reference and Information Services* Kay Ann Cassell ,Uma Hiremath,2019-01-04 Designed to complement every introductory library reference course this is the perfect text for students and librarians looking to expand their personal reference knowledge teaching failsafe methods for identifying important materials by matching specific types of questions to the best available sources regardless of format Guided by a national advisory board of educators and practitioners this thoroughly updated text expertly keeps up with new technologies and practices while remaining grounded in the basics of reference work Chapters on fundamental concepts major reference sources and special topics provide a solid foundation the text also offers fresh insight on core issues including ethics readers advisory information literacy and other key aspects of reference librarianship selecting and evaluating reference materials with strategies for keeping up to date assessing and improving reference services guidance on conducting reference interviews with a range of different library users including children and young adults a new discussion of reference as programming important special reference topics such as Google search 24 7 reference and virtual reference anddelivering reference services across multiple platforms As librarians experience a changing climate for all information services professionals in this book Cassell and Hiremath provide the tools needed to manage the ebb and flow of changing reference services in today s libraries **Living Grace (24/7)** Jay Leach,2023-08-13 It has often been expressed that the primary leadership of the Reformation Restoration did not go far enough in their restoration of the New Testament Church Martin Luther got it right on how we are saved justification The just shall live by faith Galatians 3 11 was one of the revelatory truths of God s Word that rallied the Reformers We praise God for the reformer John Wycliffe who believed that the people should be able to read the Bible in their own language and by the grace of God he worked hard to get the truth of God s Word into the hands and hearts of the masses That is an on going mission which must be repeated in each new generation Notice within a half century after the Reformation began the church was in crisis because it misunderstood that justification or salvation is of God by grace through faith alone the believers who came out of the Medieval or Dark Ages were taught that sanctification spiritual maturity was accomplished through works of the flesh They were constantly

reminded how much their relationship with God depended on their works The sad news is many local churches continue to practice this pre Reformation church model of ministry to this day That theological error has come full circle today The results are witnessed in every city town and village of America as citizens who have chosen to no longer believe God is relevant but that He no longer loves and cares that He created the world and left it to feign for itself Deism Add to that the many local churches that rely upon legalism performance of the flesh and feelings entertainment rather than upon God s grace alone through the power and anointing of the Holy Spirit and Word of God working in tandem The Spirit leads guides and teaches the restored truths of the Gospel of Grace Teachers were raised up during the Reformation to help Christians know what they believed and why they believed it Today God is continuing to meet that need by raising up desperately needed Spiritually gifted and bold apologetic teachers for that very purpose in these last days see 2 Timothy 2 2 The Bread of Life Ministries and Bible Institute along with thousands of Para ministries across America and around the world are established and Spirit led for such a time as this Magdalene and I were led of the Spirit to establish the Bread of Life Ministries 25 years ago specifically to equip the saints disciples for that purpose If the churches would return to their Christ given mission biblical world view and teaching ministries millions would be saved disciple and brought into the kingdom of God with the continued commitment to do the same
