**Who Am I?** Sri Ramana Maharshi, 2026-03-12 *Who Am I* by Ramana Maharshi is a concise yet profound spiritual text that presents the core of his teaching on self inquiry Atma Vichara In this short work Ramana guides seekers to investigate the fundamental question Who am I by turning attention inward toward the source of the I thought rather than identifying with the body mind or ego Through clear and direct answers he explains that true realization comes not from intellectual knowledge or ritual practice but from persistent self examination that dissolves false identification and reveals the Self as pure awareness Simple in language yet deep in insight the book serves as a practical manual for anyone seeking inner peace and liberation through direct experience of their true nature

**Who Am I?** Rob Gieselmann, 2025-09-30 This book was written to encourage readers who feel disenfranchised from both mainline and evangelical churches most often because of hierarchy and or dogma and to help them experience God anew as Divine Mystery and perfect love Broadly this hopeful story is one of faith told in order to share about a God who can be experienced as full of unfathomable grace and love for all Early in his life Rob Gieselmann was introduced to God and Christianity through a charismatic experience of being born again but over time that experience morphed into a stilted and predictable if legalistic relationship After some struggle including the struggle over his own sexuality he encountered God a second time freeing him from any quid pro quo understanding of God s nature Although Gieselmann is the pivotal character in his own story this book is really about the mystery of God and the hope of love Interspersed throughout the narrative are spiritual vignettes that touch on matters such as the spirituality of physics and the dynamism of everyday life the lives of Jacob and the man born blind and the very human challenge of forgiving others
