Who Moved The Stone:

Who Moved the Stone? Frank Morison,1930 Who Moved the Stone? Frank Morison,2017-07-13 This hardcover edition is cleanly formatted for easy reading 12 point Garamond 1 25 spacing Influenced by skeptics at the turn of the century journalist Frank Morison set out to prove that Christ's resurrection was merely a longstanding myth However the more he delved into the the facts the more of a believer he became He never did write The Book That Refused to Be Written as his first chapter is aptly titled Rather he wrote Who Moved the Stone an insightful well researched and moving book whose undeniable truths are read worldwide *Who Moved the Stone* Frank Morison,2017-05-03 This is a 2017 edition of the 1930s classic with small but important clarifying amendments The author Frank Morison set out to disprove the resurrection of Jesus by analysing the scriptures and historical sources He aimed to dispel what he believed was a myth and present it in a short paper entitled Jesus the Last Phase However the findings of his research changed his life and the lives of many others He became a firm believer in the resurrection of Christ and presented his meticulous research in this classic book It is almost 90 years old but it is for all time Since then language has changed The 2017 edition has some small amendments which add clarity but which are true the original Some words that have gone out of use are replaced by more understandable equivalents Obscure Latin words used by Morison now have a translation in square brackets A reference to the 90s made by Morison could be construed to mean the 1990s when in fact he meant the 1890s This is clarified This is a classic book is testament to the truth of the Gospel *Who Moved the Stone?* Albert Henry Ross,1930 **Who Moved the Stone?** Frank Morison,2016-09-06 This study is in some ways so unusual and provocative that the writer thinks it desirable to state here very briefly how the book came to take its present form In one sense it could have taken no other for it is essentially a confession the inner story of a man who originally set out to write one kind of book and found himself compelled by the sheer force of circumstances to write another It is not that the facts themselves altered for they are recorded imperishably in the monuments and in the pages of human history But the interpretation to be put upon the facts underwent a change Somehow the perspective shifted not suddenly as in a flash of insight or inspiration but slowly almost imperceptibly by the very stubbornness of the facts themselves The book as it was originally planned was left high and dry like those Thames barges when the great river goes out to meet the incoming sea The writer discovered one day that not only could he no longer write the book as he had once conceived it but that he would not if he could To tell the story of that change and to give the reasons for it is the main purpose of the following pages **The Collected Works of G.K. Chesterton** Gilbert Keith Chesterton,1986 The Collected Works of G K Chesterton is an ongoing project edited by many of the most prominent Chesterton scholars in the world including Dale Ahlquist Denis Conlon George Marlin Lawrence Clipper and many others These handsome editions include explanatory footnotes introductory essays and much more Who Moved the Stone? ,2012 WHO MOVED THE STONE or who ROLLED away the stone Mark 16 3 is a Question which has worried theologians for the

past two thousand years Mr Frank Morison a prominent Bible scholar tried to nail down this ghost s in a book bearing the same title as this tract Between 1930 and 1975 his book has gone through ELEVEN editions Through all his 192 pages of conjectures he failed to answer WHO MOVED THE STONE Faber and Faber London On page 89 of his book he writes We are left therefore with the problem of the vacant tomb unsolved and proceeds to advance SIX hypotheses very nearly knocking the proverbial nail on the head with his FIRST supposition i e THAT JOSEPH OF ARIMATHEA SECRETLY REMOVED THE BODY TO A MORE SUITABLE RESTING PLACE After confessing that this Joseph might himself have removed it for private reasons to another place is one which seems to carry considerable weight *Hearing the Voice of God* David
