Who Murdered Itzhak Rabin:

Who Murdered Yitzhak Rabin? Barry Chamish, 2000 Chamish has carefully reviewed both the official government position on the Rabin assassination and collected a huge amount of information connected to the event and carefully cross checked it. The Israeli government's official position supported by a special government commission is that a lone gunman Amir assassinated Rabin. Now learn the truth behind Prime Minister Yitzhak Rabin's assassination. Read about ballistics reports and an amateur film of the assassination which was doctored to hide the truth but helps reveal it. Conflicting testimonies by over a dozen witnesses including trained police personnel and bodyguards is presented on how many shots were fired and where exactly the shots came from. Cries that the bullets fired by Amir were blanks hence harmless came from these police and bodyguards. There was little attempt to contain the shooter Amir before or after the shots were fired. The chain of evidence to the guns and the bullets that reportedly killed Rabin is broken. Rabin's wife was taken to secret service headquarters rather than to the hospital to her husband. Autopsy reports that first indicated the fatal wound was to Rabin's chest were later changed so the bullets came from the back where Amir the convicted murderer was standing. The strong possibility is that the fatal shot was administered in the car going to the hospital or in the hospital. Read testimonies that changed over time from the event to the trial of Amir. Chamish reviews the evidence relating to all these details and more surrounding the assassination. A far more sinister truth than the official version unfolds. This newly expanded edition reveals the conclusive evidence that dramatically changes one's views of the assassination. WHO MURDERED YITZHAK RABIN [black and white version] Barry Chamish, 2011

Who Murdered Yitzhak Rabin?, Murder in the Name of God Michael Karpin, Ina Friedman, 1998-11-04 The first book to tell the complete explosive story of the assassination of Israeli Prime Minister Yitzhak Rabin. A dramatic tale of treachery and betrayal. Murder in the Name of God investigates and recreates the historic events of November 4, 1995. On that night a twenty-five-year-old student named Yigal Amir assassinated Israeli Prime Minister Yitzhak Rabin, an act that abruptly changed the course of Israeli politics. Based on exhaustive research including an exclusive interview with the assassin, Murder in the Name of God is the first book to give the full story of the people whose words and actions made Rabin's assassination inevitable: the nationalist rabbis who condemned Rabin by invoking an arcane talmudic ruling; the militant settlers and right-wing politicians who launched a sophisticated campaign of incitement against him; and the security experts who saw what was coming but failed to act. In a series of shocking revelations, the book ranges beyond Israel to expose the extent of American support, financial and ideological, for the movement that produced Rabin's killer. Far more than the tale of an assassination, Murder in the Name of God is a powerful indictment of a society's failure to examine itself honestly and to bring its own worst enemies to justice.

Killing a King Dan Ephron, 2015-10-01 Winner of the Los Angeles Times Book Prize in History and one of the New York Times's 100 Notable Books of the Year. The assassination of Israeli Prime Minister Yitzhak Rabin remains the single most consequential event in Israel's recent history and one that

fundamentally altered the trajectory for both Israel and the Palestinians In Killing a King Dan Efron relates the parallel stories of Rabin and his stalker Yigal Amir over the two years leading up to the assassination as one of them planned political deals he hoped would lead to peace and the other plotted murder Carefully reported clearly presented concise and gripping It stands as a reminder that what happened on a Tel Aviv sidewalk 20 years ago is as important to understanding Israel as any of its wars Matti Friedman The Washington Post
