Who Should Know What:

Who Should See What You're Doing Online? Emma Jones, 2017-12-15 Privacy has always been a major concern for young people and with the rise of laptops tablets and smartphones it is much easier for them to hide what they re doing from adults However there are still ways for parents teachers and even the government to see what young people are doing online Is this ethical Is it necessary These questions and more are posed as readers explore the complex issue of privacy in the digital age Balanced main text informative fact boxes and visual elements such as photographs and graphic organizers give readers a comprehensive understanding of this topical issue What Social Workers Should Know about Their Own Communities
