Who Stole Feminism:

Who Stole Feminism? Christina Hoff Sommers, 1995-05 Reviewers of this book have praised Christina Hoff Sommers well reasoned argument against many feminists reliance on misleading politically motivated facts about how women are victimised

Who Stole Feminism? Christina Hoff Sommers, 1994 This book claims that the modern feminist movement has been co opted by radical left wing extremists In addition to attacking academics liberals and the feminist leaders the author accuses all of the above of using deceptive or inaccurate data

A Symposium on "who Stole Feminism?", 1994

The Politics of American Feminism James T. Bennett, 2007-09-16 This work assesses with scholarly scrupulousness and irreverent wit the ways in which the American male is being blamed castigated slandered emasculated and just plain harassed for a multitude of crimes and sins because of a single trait maleness From cradle to grave public policy and the teachings of the groves of the academe are increasingly shaped by an anti male bias Chapters examine the ways in which American men and maleness are punished in childhood in school in history texts in language in the wallet in religion and even in recreation Although the book s tone is often light the subject is a serious one that the mainstream media often avoids

The Politics of American Feminism debunks dated myths defends individual liberty against feminist assaults offers an impious take on the narrow focus of the women s movement and has as a central premise that not only are men essential to the health of the nation and the survival of the species but they also have a few salutary qualities as well

Transcending Gender Ideology Antonio Malo, John M. Rist, 2020-08-07 Human sexuality is a very important subject especially in a cultural context such as ours in which social and work transformations offer behavioral models that are characterized by a remarkable sexual indeterminacy In *Transcending Gender Ideology* Antonio Malo tries to rethink sexuality with equilibrium and intellectual rigor using a philosophical approach since sexuality does not only affect biological aspects or social conditioning but above all the same essence of the relationship between man and woman Malo s reflections begin with the historical evolution of the concept of sexuality the naturalistic conception which sees the difference between man and woman as something biological and absolute and the postmodern conception which criticizes it by judging human sexuality as a socio cultural construction or gender According to Malo the limitation of the gender approach is to deny the relationship of human sexuality to the body and to the differences between man and woman In fact by rejecting these aspects they end up sustaining a limitless creativity of freedom which transforms the body into something that is used at will and relationships as something fluid Faced with these extremes Malo proposes a vision of sexuality as a personal condition or sexed condition received at the time of birth but which develops grows and matures through family models experiences and relationships Even if based on an original sexual difference sexed condition covers many other aspects physical psychological social and cultural as well as behavioral patterns and above all the personal integration of sexuality through the gift of oneself in marriage or in celibacy

When Women Ask the Questions Marilyn Jacoby Boxer, 2001-09-28 In *When Women Ask the Questions* Marilyn Boxer traces the

successes and failures of women's studies examines the field's enduring impact on the world of higher education and concludes that the rise of women's studies has challenged the university in the same way that feminism has challenged society at large. Drawing on her experiences as a historian, feminist, academic administrator, and former chair of a women's studies program, Boxer observes that by working for justice and for changes necessary to make the attainment of justice a practical possibility, women's studies ensures that women are heard in the processes and places where knowledge is created, taught, and preserved. The intellectual transformation behind the emergence of women's studies, Boxer concludes, is one of historic proportions. Like other great moments in human experience, it has given rise to a flowering of art, literature, and science and to the challenging of previously accepted authorities of text and tradition.

Loose Women, Lecherous Men Linda LeMoncheck, 1997. The author discusses methods for mediating the tensions among apparently irreconcilable feminist perspectives on women's sexuality and shows how a feminist epistemology and ethic can advance the dialogue in women's sexuality across a broad political spectrum.

Rape Is Rape Jody Raphael, 2013-04-01. A call to action to protect the human rights of women and girls, this exposé reveals how interest groups deny the seriousness of rape to further their political agendas. Through firsthand interviews with victims, medical and judicial records, social media, and statistics from police, the FBI, and government agencies, this analysis explains the tactics used by these groups. The personal stories of young rape victims demonstrate how assaults on their credibility, buttressed by claims of low prevalence, prevent many from holding their rapists accountable, enabling them to rape others with impunity. A resources section is also included for those seeking help, advice, or hoping to become involved in the struggle.

Cultivating Humanity Martha C. Nussbaum, 1997. How can higher education today create a community of critical thinkers and searchers for truth that transcends the boundaries of class, gender, and nation? Philosopher and classicist Martha C. Nussbaum takes up the challenge of conservative critics of academe to argue persuasively that sustained reform in the aim and content of liberal education is the most vital and invigorating force in higher education.

A Most Detestable Crime Keith Burgess-Jackson, 1999. This collection of original essays by leading philosophers probes the philosophical aspects of rape in all of its manifestations: act, crime, practice, and institution. Among the issues examined are the nature of rape, the wrongfulness and harmfulness of rape, the relation of rape to racism, sexism, classism, and other forms of oppression, and the legitimacy of various rape law doctrines. Each contributor advances a novel argument and seeks to disentangle the conceptual, evaluative, and empirical issues that arise in connection with the crime. This essential reference work is among the first philosophical anthologies devoted exclusively to the subject of rape as complex and interesting intellectually as it is pervasive and disturbing socially.

Same, Different, Equal Rosemary C. Salomone, 2008-10-01. Although coeducation has been the norm within private and public schools since the 1970s, single-sex education has staged a comeback in recent years as a means of addressing the

academic and social problems faced by some students Single sex education raises controversy on ideological grounds and in 1996 the Supreme Court struck down the all male admissions policy at the Virginia Military Institute in a decision that has cast a legal cloud over public initiatives In this timely book Rosemary Salomone offers a reasoned educational and legal argument supporting single sex education as an alternative to coeducation particularly in the case of disadvantaged minority students Salomone examines the history of women s education and exclusion philosophical and psychological theories of sameness and difference findings on educational achievement and performance the research evidence on single sex schooling and the legal questions that have arisen Correcting many of the current misconceptions about single sex education she argues that it is a viable option and that the road to gender equality should be paved with diverse educational opportunities for all students regardless of race class or gender *New York Times Saturday Book Review Supplement* ,1994-07 **Time** Briton Hadden, Henry Robinson Luce, 1925 Reels for 1973 include Time index 1973 **The Official Sexually Correct Dictionary and Dating Guide** Henry Beard, Christopher Cerf, 1995 From the authors of The Official Politically Correct Dictionary and Handbook comes a wickedly funny send up of the most dangerous trend ever to strike love romance and relationships sexual correctness An easy to read format features hundreds of up to the minute definitions of impenetrable terms gender benders and good old fashioned boy girl etiquette Photos throughout **Lingua Franca** ,1995 **Antifeminism and Family Terrorism** Rhonda Hammer, 2002 Rhonda Hammer s Antifeminism and Family Terrorism presents original and provocative critical feminist perspectives on violence against women and children Hammer provides a clear and insightful analysis of the current rhetoric produced by antifeminists who would deny the seriousness of the problem and thus undercut important feminist concerns Dr Hammer documents the tragic dimensions of the brutalization of women and children in the family and the larger problem of the increasing poverty and oppression of women and children in the global economy **Feminist Studies** ,2007 [Feminist Writers](#) Pamela L. Shelton, 1996 Concise discussions of the lives and principal works of feminist writers from all time periods written by subject experts
