Young Creators Alex R. D. Morgan, 2026-03-11 Your imagination Your rules Your game You have spent hours playing Roblox You know what makes a great game what keeps you coming back what makes you call your friends over what makes a round feel legendary Now it is time to stop playing other people s games and start building your own Young Creators is the complete guide to building two full Roblox games from scratch a Tycoon and a Hide and Seek experience written for players aged 10 to 16 who are ready to become developers No prior coding experience required No boring theory Just real projects real scripts and real games you can publish and share before you finish the book What you will build A complete Tycoon design a dropper and collector economy script a four tier upgrade system save player progress with DataStores and build a world that visually transforms with every upgrade purchased Your empire grows every time a player comes back A complete Hide and Seek game build a five zone map with twenty or more hiding spots script a full round system with automatic Seeker and Hider assignment add NPCs that populate the world between rounds and design a multiplayer experience that creates moments players will talk about long after the round ends What you will learn By the time you publish both games you will understand economy design and progression loops multiplayer architecture and round systems DataStore saves and persistent player data NPC building and Humanoid scripting GUI design and RemoteEvent communication audio design and game feel and how to read real analytics to make both games better These are not Tycoon skills or Hide and Seek skills They are game development skills and they belong to you forever Why two games Because the fastest way to become a real developer is not to build one game deeply It is to build two games that are as different from each other as possible and discover that the same skills scripting designing playtesting publishing produce completely different results depending on what you are trying to make The Tycoon teaches you how to keep one player coming back Hide and Seek teaches you how to make a group of players create stories together Both lessons matter Neither can replace the other What makes this book different Most game development books teach you tools This book teaches you thinking Every system is explained not just as code to copy but as a design decision to understand why the upgrade is priced this way why the hiding phase freezes the Seeker why the analytics number means

what it means Understanding the why turns a developer who can follow instructions into a developer who can build anything The book is project driven from the first chapter to the last You are never learning a concept in isolation you are always learning it because you need it right now to build the thing in front of you Theory arrives at the moment it becomes useful Not before By the end of this book you will have Two complete published Roblox games on your profile Real player analytics from two different game genres A design journal full of decisions reflections and plans for your next project The scripting vocabulary to read write and debug Luau with confidence A clear understanding of what you want to build next and exactly why Young Creators is Book Two of the Roblox Game Dev Build Launch Grow series by Alex R D Morgan Book One Build Your First Roblox Game walks complete beginners through building and publishing their first Obby Book Three Level Up introduces RPG design Simulator architecture advanced DataStore patterns and monetisation for developers ready to go further You do not need to have read Book One to start here If you have played Roblox and you are ready to build something real this is your book For ages 10 and up Roblox Studio required free All projects build toward two published games Also in this series Build Your First Roblox Game Book One Level Up Book Three coming soon Studio Pro Book Four coming soon

**Construct** Iain Borden, 2025-12-09 Construct introduces a new category of architecture and engineering in our cities These structures are highly visible yet often ignored large scale and built without traditional designers They are characterised by substantial technical innovation and expertise embedded in the everyday lives of thousands of urban citizens and serve as embodiments of cultural and political meanings These constructions represent an overlooked but significant aspect of our urban landscape combining technical advancement with cultural significance despite their often anonymous design origins The opening chapter introduces Construct as an architectural academic and methodological concept including its interdisciplinary approach combining history critical theory ethnography and visual studies Six independent chapters then explore specific recent manifestations around the world the resund bridge between Copenhagen and Malm tower cranes in Dubai Shibuya pedestrian intersection in Tokyo Venice skatepark in Los Angeles Limehouse Link tunnel in London and the Singapore Flyer observation wheel in Singapore Each is interpreted in its own context and as a manifestation of its shared architectural typology worldwide Construct will appeal to those interested in the architecture urbanism and experience of contemporary cities worldwide and particularly those working in the fields of architecture media studies planning sociology and urban geography *Research and Innovation Forum 2022* Anna Visvizi, Orlando Troisi, Mara Grimaldi, 2023-03-14 This book features research presented and discussed during the Research Innovation Forum Rii Forum 2022 As such this book offers a unique insight into emerging topics issues and developments pertinent to the fields of technology innovation and education and their social impact Papers included in this book apply inter and multi disciplinary approaches to query such issues as technology enhanced teaching and learning smart cities information systems cognitive computing and social networking What brings these threads of the discussion together is the question of how advances in

computer science which are otherwise largely incomprehensible to researchers from other fields can be effectively translated and capitalized on so as to make them beneficial for society as a whole In this context Rii Forum and Rii Forum proceedings offer an essential venue where diverse stakeholders including academics the think tank sector and decision makers can engage in a meaningful dialogue with a view to improving the applicability of advances in computer science **Roblox Guide to Success** Ro Books,2020-02-16 Learn everything there is to know about making robux on Roblox so you will never have to ask your parent for robux again In this descriptive fun and value packed guide you will learn the ways to reach success in the world of Roblox and once you embark on your unique adventure you will become braver bolder and more creative than ever Diary of a Roblox Noob Robloxia Kid,2017-01-26 Follow the adventures of Roblox Noob through the entries in his personal diary Noob finds himself in the lumber tycoon game Unable to remember who he is or how he got there As Noob struggles to regain his memories mysterious events surround his efforts to build a farm and become a lumber tycoon **Roblox Notebook** juny frik,2020-12-24 Amazing NoteBook for kids adults boys girls women and men lovers of Roblox The NoteBook with cute design on the cover This paperback is perfect for note taking journaling writing Best for writing notes ideas poetry daily planner lists travel journal organizer diary notepad gratitude or your next book It can be used as a notebook journal or composition book This paperback notebook is 6 x 9 inches letter size and has 120 pages lined pages that are college ruled **Roblox Notebook** dogs lover,2020-06-12 Amazing NoteBook for kids adults boys girls women and men lovers of Roblox The NoteBook with cute design on the cover This paperback is perfect for note taking journaling writing Best for writing notes ideas poetry daily planner lists travel journal organizer diary notepad gratitude or your next book It can be used as a notebook journal or composition book This paperback notebook is 6 x 9 inches letter size and has 120 pages lined pages that are college ruled Roblox Notebook fan drawing,2020-06-25 Amazing NoteBook for kids adults boys girls women and men lovers of Roblox The NoteBook with cute design on the cover This paperback is perfect for note taking journaling writing Best for writing notes ideas poetry daily planner lists travel journal organizer diary notepad gratitude or your next book It can be used as a notebook journal or composition book This paperback notebook is 6 x 9 inches letter size and has 120 pages lined pages that are college ruled Diary of a Roblox Genius Robloxia Kid,2018-05-31 Ditch the Roblox Noob Robloxia Kid has great news for you Take a break from all the Roblox noob books and tune in to the first ever Diary of a Roblox Genius That s right Follow the exciting adventure of a brilliant scientist set on overtaking all of Roblox Major Creative Major the mastermind of all the scientific and rational suddenly finds himself transported to a world called Roblox Super Hero Tycoon Unhappy with this irregularity he must now figure out a way back home or his rage will see no limit Can Major use his intellect to leave the nasty Roblox game behind His failure to do so might plant the seeds of destruction for the entire universe of Roblox Read this Roblox book for FREE with Kindle Unlimited **Roblox Notebook** fan surfing,2020-12-10 Amazing NoteBook for kids adults boys girls women and men lovers of Roblox The NoteBook with
