

## **2 Samuel 12:9-10**

9 Why have you despised the word of the Lord, by doing evil in His sight? You have struck and killed Uriah the Hittite with the sword, you have taken his wife as your wife, and you have slaughtered him with the sword of the sons of Ammon. 10 Now then, the sword shall never leave your house, because you have despised Me and have taken the wife of Uriah the Hittite to be your wife.'

**The Sins of King David** Gary Greenberg,2002 The common view of King David is of a young boy full of courage piety and humility who grew to be a goodly king Not so writes Gary Greenberg in this stunning history of the world s most beloved monarch In actuality David arranged the murder of Saul the popular first king of Israel had Saul s seven sons hanged did not slay Goliath and had an affair with Bathsheba impregnated her and arranged the murder of her husband Finally David allied himself with the Philistines the enemies of Israel In sum he was deceitful corrupt a tyrant and a murderer Drawing on the latest historical research as well as detailed biblical analysis this book represents a groundbreaking new look at one of our culture s most revered figures Greenberg takes a fresh look at the biblical stories of David unraveling the written skeins and hidden truths that weave through the biblical texts

**King David's Sin** Brandon R Burdette,2019-05-05 King David s Sin is a commentary on 2 Samuel 11 12 of the Old Testament in the Bible These 2 chapters tell of the adultery murder and repentance of King David They also tell of the grievous consequences of his sins and David s acceptance of his circumstances

**Sin and Its Consequences** Donald H. Roy Ph.D.,2023-02-15 Well a book about sin might not be too compelling these days given that the subject hardly ever appears in day to day conversations perhaps only in theological settings and even there the subject is rather rare these days as well But one might find this Sin and Its Consequences A Biblical Timeline a satisfying exception to this commonplace reaction for it uses the theme as a vehicle to take the reader on a fascinating journey through the entire Bible from the first sin recorded there and its devastating results to the death of sin and the banishment of its worldly chieftain and his minions Yes it does consider most of the sins recorded in the Old and New Testaments and how God dealt with them this to help explain what Moses meant when he wrote The Lord is slow to anger and abounding in steadfast love forgiving iniquity and transgression but by no means clearing the guilty Numbers 14 18 That is the book helps to understand just what the implications of by no means clearing the guilty might be and how it is relevant to how we live and think today The story line follows God s dealings with His images from Adam and Eve to the end times as recorded by Saint John in his book of Revelation There is much linking and contextual material including numerous images and discussion of the geopolitical settings related to the scripture which carries the main story line The book deviates from canonical scripture to present in two add on excursuses the author s views on why God arranged the creation of His first two images Adam and Eve just the way He did and on what the fallen world to which they were banished was and is like Also presented are the author s noncanonical views on what Saint John saw in the seven thunders of chapter 10 of his apocalyptic journal The views expressed there are the result of many years of thinking about what Saint John might have seen and heard as those thunders sounded and why he was told to seal up what the seven thunders have said and do not write it down Revelation 10 4 The purpose in addressing this issue is to somehow bring the notion of what God might consider as the most egregious sins of modern times to the reader s mind and perhaps compel her or him to think about the subject as well After

all this business of sin is no small matter It doesn't have to be morbid either but Jeremy Taylor expressed it well when he wrote No sin is small It is a sin against an infinite God and may have consequences immeasurable No grain of sand is small in the mechanism of a watch Finally in addition to all of this the book is a testimony or witness of the author to his faith as a Christian To this engineer the good news of what God has done in Jesus Christ is beyond a matter of faith it is so logical and so beautiful and so like God that it just must be fact why how else could His fallen images be made perfect as he is perfect righteous as He is righteous sinless as He is sinless except by the perfection and righteousness and sinlessness of Christ imputed to us by faith and so make the believer a fit citizen of the Kingdom The Mystery of Life Dr. Tanyi

Eyongetah,2020-07-07 The Mystery of Life is a book that covers parts of the Old New Testament From the time that man failed God God had another plan to restore man in His image That plan started with Abraham in which the nation of Israel was born Despite the fact that Israel failed God He did not give up on man He finally sent His Son Jesus to earth to show us the way back to God The Holy Spirit was came at Pentecost and changed the life of any believer in Christ till today If Christians are truly born again they need the leading of the Holy Spirit It is through the Holy Spirit that we will know what we ought to know about God's plan in our lives God has a plan for every believer here on earth The Holy Spirit will teach us how to overcome spiritual battles and how to live a victorious life through Christ **The Nation** ,1923 **The Original Sin and Human Diseases** Hanna Rizk Wannas MD FRCS ED FICS,2014-01-30 This text is unique it is the first book of its kind that challenges the theory of evolution by the word of God In the text it will be proved beyond doubt that the word of God is powerful with a two edged sword It divides asunder and exposes the counterfeit and the false Not only that but it proves the validity of the arguments by using medical and surgical studies of the patients ailments The author is a scientist and a surgeon He studied anatomy and embryology in full details that makes him argue with confidence The doctrine of creation has a solid foundation which is the true word of God The author used the results of surgical procedures that are done by spiritual knowledge compared to others done by natural man whose knowledge is based on the theory of evolution These have changed the procedures from difficult and complicated to a single day procedure with financial gains to the patient and to the public The relation between sin diseases and death is studied and proved beyond doubt The salvation by justification sanctification and righteousness is explained and also proved beyond doubt Man is created and evolved to a higher degree of holiness by the working power of the Holy Spirit contrary to evolution by genetic mutation and natural selection that might promote the man to a high intellectual standard but this usually brings low moral value with it that at the end lead to death from moral decay alcoholism and drug addiction The evolution is produced by knowledge and experience and it carries with it away from God all the destructive elements to humans **Joshua, Judges, Ruth, 1st and 2nd Samuel, 1 Chronicles XI., 1 Kings I-XI., 2 Chronicles I-IX** ,1889
