## **Sipping Saints:**

**Sipping Saints** David Wilkerson, 1978-01-01      *The Christian Experience* Jeff Coulter, Suzanne Coulter, 2022-01-22 The Christian Experience answers some of the questions most people ask about what it means to be a Christian What do I have to do Where do I start What should I expect Why should I go to church Can I trust people in church Why is there so much suffering in the world There are two camps that will be discussed in this book while discussing Christianity The Milk and the Meat of the Word If you aren't familiar with the expression The Milk it represents new or baby Christians who are just starting out in their relationship with Christ and need to feed on The Milk of the Bible The Meat represents the mature Christians who are established in their relationship with Christ and feed on The Meat of the Bible which is its deeper meaning The walk with Christ can be confusing for new Christians and mature Christians can become complacent or even misguided Our goal in writing *The Christian Experience* is to discuss the different aspects of Christianity and for the reader to come away with a more in depth understanding of the subject matter It is not intended to offend anyone or represent the absolute authority of what we as the authors believe is the only and absolute path to Christianity On that note if you are offended by a topic in this book then it is probably speaking to your heart Take a knee and examine your walk with Christ All aspects of *The Christian Experience* are biblically based and meant to encourage new Christians and at the same time edify mature Christians Though this book cannot possibly cover everything it will help you focus on a few rudimentary and a few in depth topics and hopefully give you a more insightful perspective to help with your personal walk of faith in Christ As with all aspects of the Bible and our walk with Christ we should follow Paul's word to Timothy Study to shew thyself approved unto God a workman that needeth not to be ashamed rightly dividing the word of truth II Timothy 2:15 KJV      **A Variety of Verses** Vermell Reddick, 2007-11 Her mother and brother were unsaved mentally ill and violent Her brother was a molester This is the story of how the Lord Jesus answered her prayers and protected her despite sins she committed along the way The Lord was always there ready and able to forgive her and to pick her up      **The Scale of the Almighty** Dr. D. K. Olukoya, 2016-05-30 The Scale of the Almighty contains a timeless prophetic message for this generation The book affords you the opportunity to receive fresh revelations from the throne of God Powerfully written clearly illustrated and offered in a reasonable format this insightful book will leave positive indelible marks on your heart The life changing prayer points and the thought provoking nuggets will make this book something to treasure by all cadres of believers It offers an opportunity to get on the scale of the Almighty and discover where you are with God spiritually      **Navigate Your Faith** Ron Pratt, 2019 What's the point of being a Christian anymore Many Christians today are feeling unfulfilled in their walk with God and they have no idea it's because of the little decisions they're making each day that are leading them into lives of compromise In *Navigate Your Faith* Ron Pratt uses a fictional American family to expose how the enemy lures believers into prioritizing their own pleasure entertainment or career goals over their relationship with Christ This erodes their passion for Jesus and causes

them to become spiritually bored and have powerless Christian lives Rather than claiming that God will approve of Christians no matter what they do as some modern ministers do *Navigate Your Faith* challenges readers to take a hard look at their lives and see if they re simply incorporating Jesus into their lifestyles or allowing Him to set them on a course of His choosing With proven strategies to rebuild lost intimacy with God this book will help Christians recognize the deceptive tactics of the enemy break out of complacency and make a greater impact on the world around them This book will help you recognize and avoid the deception of today s nominal Christian culture *Heart of a Pastor* Happy Caldwell,2015-03-10 Do you feel a call from God to be a pastor Do you have a desire to lead and serve others The office and calling of a pastor is the most demanding of the five fold ministry gifts but it can also be the most rewarding You should never choose to be a pastor but instead wait upon the Lord to confirm to your heart that He has called you to serve *Through the Gate and Running Straight* Steven Smith,2015-04-07 Author Steven Smith presents a candid picture of life as a race that sometimes leaves us tired and weary But we do have the option of running a different race a race that is not about beating the competition or finishing first Its about making sure we are heading in the right direction The book gives hope that we dont have to get swallowed up in the mad dash that leads to nowhere By developing a relationship with God we can embark on the journey of a lifetime one that is both satisfying and challenging We are reminded of the timeless truth that a race that is never begun can never be finished And a race that is never finished can never be won **David Wilkerson** Gary Wilkerson,R. S. B. Sawyer,2014-09-02 How did one man s unshakable faith shape the future of thousands struggling to break free from the grip of addiction poverty and sin Join Gary Wilkerson as he shares a never before seen look at the incredible life and legacy of his father bestselling author and evangelist David Wilkerson This book tells the story of David Wilkerson a man who refused to give up on those on the streets even when they had given up on themselves and who saw in the eyes of drug addicts and gang members what others failed to see the unconditional love of Jesus Christ But who was David Wilkerson When Wilkerson moved to New York from rural Pennsylvania in 1958 to confront the gangs who ran the streets he was a skinny 120 pound man After the initial publicity that brought him face to face with some of the most dangerous young men in the city he largely flew under the radar of the media using the Word of God and a bit of tough love to help men and women of the street escape the destructive spiral of drugs and violence Wilkerson was always the real deal full of passion and conviction not interested in what others said was the right thing to do An evangelist both in America and overseas David authored books that inspired people to be serious about their relationship with Christ His financial generosity reached around the globe providing homes for the destitute and feeding programs for the hungry When he founded the Times Square Church in 1987 his ministry impacted more lives than he ever dreamed possible Throughout David Wilkerson you ll be inspired by The life changing power of faith What it means to trust God wholeheartedly The importance of following your true God given calling David was a man of faith who trusted God would give him what he needed to enter a cruel world a man of conviction who took the

dream God gave him and marched forward without ever looking back As you come to know David s story you ll learn to see the world the way he did through the lens of eternity History of the Mustard Seed Nick Willems,2008-12 The history of the Mustard Seed is unique yet typical of many Charismatic churches birthed out of the Jesus Movement Started in the early 1970s the Mustard Seed is still a thriving church that has been impacted by revivals the Faith Word Inner healing Healing Deliverance Shepherding and Prophetic movements In order for a movement not to become a monument constant exposure to new winds of the Holy Spirit are essential This book highlights the different events that impacted the growth and development of the church as well as some of the tensions presented by some of the different streams in the charismatic movement It will bring back old memories for the thousands who have passed through the doors over the years and will also encourage them to stay the course **The Wrath of Grapes** André Bustanoby,1987 **Saints Herald** ,1884 *Catalog of Copyright Entries, Fourth Series* Library of Congress.
