Ernest W. Pettifer

Sirens Of Dunkirk:

Sirens of Dunkirk Leo Kessler, 2004 Whilst the head of the German Secret Service is trying to flood the UK with spies Dalby and Mackenzie plan to destroy the Dunkirk brothel and its deadly females who are spying on the troops They have to identify a German radio operator stop a German attack on Dunkirk and help the army to escape to Blighty [The Fighting Fleets](#) Ralph Delahaye Paine, 1918 **Scientific American** ,1896 **A History of the 17th Aero Squadron** ...**December, 1918** Frederick Mortimer Clapp, 1920 [My Small Share](#) Ernest W. Pettifer, 2014-06-03 The diary gives a vivid picture of the relentless bombardment of Dunkirk from the air from the sea and from canons situated behind German lines over 20 miles away The work of the hospital was a barometer of the action at the front and was itself under constant threat It was moved to a less vulnerable location in the Spring of 1918 following an emergency night time evacuation after bombing Shortly after this move the threat posed by the rapid advance of the German Spring offensive meant that they had to prepare for the possibility of leaving Dunkirk altogether In the diary Ernest reveals his deep interest in nature and wild life especially birds There are fascinating descriptions of French civilians managing to survive in the most unpromising circumstances Ernest often has responsibility for managing casualties suffering from serious psychological damage In the final months he moves through scenes of appalling devastation to work in Courtrai where the patients are largely civilians The diary is very fully illustrated with original photos postcards drawings and press cuttings collected at the time by the author **Brooklyn Bulletin** ,1916 **The Saturday Review of Politics, Literature, Science and Art** ,1885 [The Little Corner Never Conquered](#) John Van Schaick, 1922 **The American Friend** ,1918 **Strangers** Mary Anna Evans, 2012-06-30 This contemporary mystery is drenched with Florida history and with gothic elements that should appeal to a broad range of readers Booklist Faye Longchamp and husband Joe Wolf Mantooth have founded an archaeological consulting firm just in time for the economy to tank But a meeting with a couple who run an elegant B B in a historic home in St Augustine Florida lands the firm s first big project Within a day of their arrival at Dunkirk Manor a lovely young employee disappears leaving behind a sinister smear of blood in her car a collection of priceless artifacts and a note asking for Faye s help Two days later the missing woman s boyfriend is found floating in the Matanzas River his throat slashed The detective in charge of the case believes that the artifacts are key to the crime and hires Faye to track down their origin The artifacts Faye and Joe excavate at their work site date from every era of St Augustine history and the discovery of a buried cache of children s toys from the 1920s hits eight months pregnant Faye particularly hard Dunkirk Manor seems haunted in a way that Faye can t explain Then a stunning discovery is made the diary of a priest who left Spain in 1565 and was present at the city s birth Faye is driven to translate the manuscript In what could be an unfolding tale by the Brothers Grimm Faye and Joe uncover some terrible secrets **The First Yale Unit** Ralph Delahaye Paine, 1925 **Guynemer, Knight of the Air** Henry Bordeaux, 1918 Biografi over den fra 1 verdenskrig kendte franske milit rflyver Geroges Marie Ludovic Jules Guynemer

Forgotten Voices Of The Second World War Max Arthur,2012-06-30 The Imperial War Museum holds a vast archive of interviews with soldiers sailors airmen and civilians of most nationalities who saw action during WW2 As in the highly acclaimed *Forgotten Voices of the Great War* Max Arthur and his team of researchers spent hundreds of hours digging deep into this unique archive uncovering tapes many of which have not been listened to since they were created in the early 1970s The result will be the first complete oral history of World War 2 We hear at first from British German and Commonwealth soldiers and civilians Accounts of the impact of U S involvement after Pearl Harbour and the major effects it had on the war in Europe and the Far East is chronicled in startling detail including compelling interviews from U S and British troops who fought against the Japanese Continuing through from D Day to the Rhine Crossing and the dropping of the Atom Bomb in August 1945 this book is a unique testimony to one of the world s most dreadful conflicts One of the hallmarks of Max Arthur s work is the way he involves those left behind on the home front as well as those working in factories or essential services Their voices will not be neglected

Georges Guynemer Henry Bordeaux,1918 Georges Guynemer 24 December 1894 11 September 1917 missing was a top fighter ace for France during World War I and a French national hero at the time of his death Wikipedia [Our Part in the Great War](#) Arthur Gleason,1917 Three years of world war draw to a close as France prepares to celebrate the birthday of her liberty Never in the thousand years of her tumultuous history has she been so calm so sure of the path she treads red with the blood of her young men She has never drunk any cup of joy so deeply as this cup of her agony In the early months of the war there were doubts and dismays and the cheap talk of compromise There were black days and black moods and a swaying indecision But under the immense pressure of crisis France has lifted to a clear determination This war will be fought to a finish No feeble dreams of peace entertained by loose thinkers and fluent phrase makers no easy conciliations will be tolerated France has made her sacrifice It remains now that it shall avail She will fulfill her destiny Time has ceased to matter Death is only an incident in the ongoing of the nation No tortures by mutilation no horrors of shell fire no massing of machine guns can swerve vi the united will The Sacred Union of Socialist and royalist peasant and politician is firm to endure The egoisms and bickerings of easy untested years have been drowned in a tide that sets towards the Rhine The premier race of the world goes forth to war That war is only in its beginning The toll of the dead and the wounded may be doubled before the gray lines are broken

Friends of France ,1916 [Letters Written Home from France](#) Abram Piatt Andrew,1910 **Belgium and the Western-front, British and American** Findlay Muirhead,1920 *Our Part in the Great War* Arthur Gleason,2022-09-16 In *Our Part in the Great War* Arthur Gleason presents a compelling narrative that intertwines personal stories with broader historical themes during World War I The book s literary style is characterized by eloquent prose laced with vivid imagery effectively transporting readers to the tumultuous landscapes of the time Gleason meticulously details the contributions of American citizens in the war effort capturing the collective sentiment of duty and sacrifice while emphasizing themes of nationalism and camaraderie elements

that resonate with the urgent political climate of the early 20th century making it both a historical document and a piece of literature that reflects the moral complexities of war Arthur Gleason an accomplished journalist and editor was deeply influenced by the sociopolitical transformations occurring during his lifetime His background in reporting on international affairs equipped him with a keen awareness of the global ramifications of the war Gleason s advocacy for American intervention in the conflict and his experiences with soldiers and their families shaped his perspective leading him to document the narratives that highlight not just the heroism but also the human cost of war I highly recommend *Our Part in the Great War* to readers interested in understanding the socio political landscape of World War I through a personal lens Gleason s work is an essential addition to both historical scholarship and literary collections offering insights that are as relevant today as they were a century ago In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read *Historical Dictionary of American Slang* Jonathan E.
