private European venture capital funds of a similar size had an average rate of return of minus 0.4 per cent. The Department has not done enough to curtail the high costs of managing the funds. Fees for the Regional Venture Capital Funds have totalled 46 million compared to the 130 million invested. Substantial fees have been paid to fund managers even though the performance of the funds has been poor. Parliamentary Papers Great Britain. Parliament. House of Commons, 1973
