**Jeffrey Richards**

## Sixty Glorious Years:

**The Age of the Dream Palace** Jeffrey Richards, 2009-12-18 The period between the two world wars is often named the golden age of the cinema in Britain This definitive and entertaining book on the cinema and cinema goers of the era is herewith reissued with a new Introduction Jeffrey Richards described by Philip French as a shrewd critic a compulsive moviegoer and a professional historian tells the absorbing story of the cinema during the decade that produced Alfred Hitchcock s thrillers the musicals of Jessie Matthews and Alexander Korda s epics He examines the role of going to the pictures in people s lives during a tough period when in the sumptuous buildings that housed local cinemas people regularly spent a few pence to purchase ready made dreams watching Gracie Fields Robert Donat and the other stars of the day He scrutinizes the film industry censorship cinema s influence the nature of the star system and its images as well as the films themselves including the visions of Britain British history and society that they created and represented *Past and Present*

James Chapman, 2005-09-23 This ground breaking book takes as its focal point director Ken Loach s view that The only reason to make films that are a reflection on history is to talk about the present In the first book to take on this major genre in all its complexity James Chapman argues that historical films say as much about the times in which they are made as about the past they purport to portray Through in depth case studies of fourteen key films spanning the 1930s up to the turn of the twenty first century from *The Private Life of Henry VIII* and *Zulu* to *Chariots of Fire* and *Elizabeth* Chapman examines the place of historical films in British cinema history and film culture Looking closely at the issues that they present from gender class and ethnicity to militarism and imperialism he also discusses controversies over historical accuracy and the ways in which devices such as voice overs title captions and visual references to photographs and paintings assert a sense of historical verisimilitude Exploring throughout the book the dialectical relationship between past and present Chapman reveals how such films promote British achievements but also sometimes question them and how they project images of Britishness to audiences both in the UK and internationally *The Filmgoer*, 1939 [The British monarchy on screen](#)

Mandy Merck, 2016-02-28 This electronic version has been made available under a Creative Commons BY NC ND open access license Moving images of the British monarchy are almost as old as the moving image itself dating back to an 1895 American drama *The Execution of Mary Queen of Scots* And from 1896 actual British monarchs appeared in the new animated photography led by Queen Victoria Half a century later the 1953 coronation of Elizabeth II was a milestone in the adoption of television watched by 20 million Britons and 100 million North Americans At the century s end Princess Diana s funeral was viewed by 2.5 billion worldwide In the first book length examination of film and television representations of this enduring institution distinguished scholars of media and political history analyze the screen representations of royalty from Henry VIII to William and Kate Seventeen essays by Ian Christie Elisabeth Bronfen Andrew Higson Karen Lury Glynn Davies Jane Landman and other international commentators examine the portrayal of royalty in the actuality picture the early extended

feature amateur cinema the movie melodrama the Commonwealth documentary New Queer Cinema TV current affairs the big screen ceremonial and the post historical boxed set A long overdue contribution to film and television studies this book will be essential reading for scholars and students of British media and political history *Brexit and Beyond: Nation and Identity* Daniela Keller, Ina Habermann, 2021-03-08 This volume explores the cultural significance of Brexit situating it in debates about nation and identity Contributors to this collection seek to contextualize Britain's decision to leave the EU and to assess its reverberations in language literature and culture Addressing such aspects as British exceptionalism myth making medievalism and nostalgia contributions range from travelogues Ladybird books and rural cinema going to ageing An important focus lies on marginalized groups and geographical fringes as contributors attend to the Irish situation and the scarcity of EU migrants in Brexit literature BrexLit Finally two essays widen the perspective to assess American parallels to the discourses about a Brexit that is still far from done **Victoria, Queen of the Screen** Leigh Ehlers Telotte, 2020-07-14 Both in life and death Queen Victoria is among the most popular monarchs to be committed to film Her reign was characterized by an explosion in media coverage that began to rely on images rather than words to tell her story Even though Victoria has been labeled the first media monarch the sheer magnitude of her screen presence has been neither chronicled nor fully appreciated until now This book examines the growth and evolution of Queen Victoria's on screen image From the satirical cartoons and silent films of the 19th century to the television shows video games and webcomics of the 21st it demonstrates how the protean Victoria character has evolved ultimately meaning many different things to many different people in many different ways Each chapter looks at a facet of her character and includes analysis of how these media present Queen Victoria as a real person and shape her as a character acting within a narrative The book includes a comprehensive and international filmography Film Year Book, 1938 *Movie Maker*, 1977 **Motion Picture Review Digest**, 1938 **The Musical Times and Singing-class Circular**, 1897 **Life and Services of Gen. John A. Logan** George Francis Dawson, 1887 **Crowley's Producers' Bulletin**, 1937 Musical times and singing-class circular, 1897 The new law, 6 sermons William Macdonald Sinclair, 1897 English Roses Frederick William Orde Ward, 1899 **Box Office**, 1938 **Time** Briton Hadden, Henry R. Luce, 1938 **Dames of the Theatre** Eric Johns, 1975 **Selected Film Criticism** Anthony Slide, 1982-01-01 Provides a cross section of contemporary American film criticism from 1896-1960 The volumes reprint reviews in their entirety from periodicals such as Photoplay Film Reports The Moving Picture World Variety and The New York Times Of immense value for gauging contemporary reaction both popular and serious to the best known films of the past Halliwell's Filmgoer's and Video Viewer's Companion Leslie Halliwell, 1990 The most popular authoritative and comprehensive reference book on film updated to include the latest information and now available in a popularly priced edition
