Never share personal information, financial details or passwords in response to an email, gaming chat or text message

Think before you click. Only open attachments and emails from known and trusted sources

Update your privacy settings on apps, games and websites

Be wary of suspect web addresses. Look for the protocol and see websites that start with https://

The 3 main for SCAMS?

Scams are less likely on these sites but still possible

Be sceptical if something seems too good to be true, it probably is!

Keep your antivirus software updated

Be wary of messages or requests from unknown people, even if they claim to be from a friend

Use strong passwords and change them regularly. Include a mix of upper and lowercase letters, numbers and symbols
