The Distant Lover:

Distant Love Ulrich Beck, Elisabeth Beck-Gernsheim, 2013-12-18 Love and family life in the global age grandparents in Salonika and their grandson in London speak together every evening via Skype A U S citizen and her Swiss husband fret over large telephone bills and high travel costs A European couple can finally have a baby with the help of an Indian surrogate mother In their new book Ulrich Beck and Elisabeth Beck Gernsheim investigate all types of long distance relationships marriages and families that stretch across countries continents and cultures These long distance relationships comprise so many different forms of what they call world families by which they mean love and intimate relationships between individuals living in or coming from different countries or continents In all their various forms these world families share one feature in common they are the focal point in which different aspects of the globalized world become embodied in the personal lives of individuals Whether they like it or not lovers and relatives in these families find themselves confronting the world in the inner space of their own lives The conflicts between the developed and developing worlds come to the surface in world families they acquire faces and names creating confusion surprise anger joy pleasure and pain at the heart of everyday life This path breaking book will appeal to a wide readership interested in the changing character of love in our times [Between the Miles: Poetic Whispers of Long-Distance Love](#) Pastor Yves Gerard, 2025-03-04 [Between the Miles Poetic Whispers of Long Distance Love](#) is an evocative collection that captures the essence of love stretched across distances where the heart beats in one place and its echo resounds miles away This anthology is a tender exploration of the unique challenges joys and vulnerabilities that accompany relationships separated by space but intertwined by unbreakable bonds Through a symphony of words this book celebrates the silent yet profound language of love spoken through midnight texts handwritten letters fleeting phone calls and cherished video chats Each poem is a whisper a longing and a promise that transcends physical barriers reminding us that love no matter how far apart is a force that unites The pages brim with raw emotion aching longing exhilarating hope and the bittersweet ache of missing someone deeply From the quiet sadness of airports and goodbye kisses to the electrifying anticipation of reunions this collection captures the full spectrum of long distance relationships It speaks to the hearts of those who know what it means to love someone in a different timezone yet feel their presence in every moment Between the Miles isn't just about the pain of separation it's also a celebration of resilience trust and the boundless nature of love It's a testament to the power of connection that defies geography and thrives on the whispers of faith and unwavering devotion This poetic journey will resonate with anyone who has ever yearned for someone far away offering solace in knowing they are not alone It is a gentle reminder that distance is a test not a barrier and that true love can bridge even the widest of gaps With its heartfelt verses and deeply relatable themes this collection serves as both a companion and a tribute to the enduring beauty of long distance love **Casanova Loved Her** Bruno Brunelli, 1929

The branches of the forest invoked the sky with the supplications of their thousand hands Black tumultuous terrible the wilds billowed under the moon stifled with the night silent as a windless sea Winter like a pale Semiramis of gigantic mould stood with her coronet touching the steely sky A mighty company of stars stared frost bright from the heavens A pillar of fire shone red amid the chaos of the woods Like a great torch a blazing tower hurled spears of light into the gloom Shadows vast and fantastic struggled like Titans striving with Destiny in the silence of the night Their substanceless limbs leapt and writhed through the gnarled alleys of the forest Overhead the moon looked down with thin and silver lethargy on the havoc kindled by the hand of man
