

A Confederacy of Dunces

TOOLE

A Confederacy of Dunces

A Novel by John Kennedy Toole

Foreword by Walker Percy

A Great Humbling Force

John Toole's novel, *A Confederacy of Dunces*, is, from the start, without hesitation, a fantastic novel, a major achievement, a huge comic-satiric magic one-of-a-kind rendering of life in New Orleans. No one has ever, or ever will, capture the particularity of the bookstellers, middle- and over-class whites, blacks and other ethnics of New Orleans as Toole has.

The protagonist of the novel, Ignatius Reilly, is without proportion in any literature I know -- an original. A great wit and the man in violent revolt against the entire Twentieth Century. The eerie accuracy with which Toole creates his characters, their locales and indigenous speech, is matched only by the high comedy and the ludicrous predicaments he devises for them. This is true comedy, but no means the hilarious madcap variety; but rather more a great humbling force of Pastoralian dimensions.

— Walker Percy

Louisiana State University Press
Baton Rouge, Louisiana
