The Dutch Blue Error William G. Tapply, 1985 Kriminalroman **The Dutch Blue Error** William G. Tapply, 2013-08-06
Boston lawyer Brady Coyne investigates a philatelist fatality in a first rate mystery a knockout climax charged with irony The Washington Post Book World It is a small paper square with uneven edges dark blue in color and bearing a smudged portrait of a long dead king It doesn't look like much to Brady Coyne but the stamp known as the Dutch Blue Error is one of a kind a philatelic freak worth at least one million dollars It is the prize possession of Ollie Weston a wheelchair bound Boston banker and it is valuable enough that for its sake several good men will die A fellow collector contacts Weston claiming to have found a second copy of the Error a claim that if truthful would destroy the stamp's value Weston sends his attorney kindhearted Boston lawyer Brady Coyne to purchase the rogue stamp for two hundred fifty thousand dollars but just before the hand off the collector is killed and the stamp disappears Find the stamp and Brady will find the killer but that will involve risking another one of a kind item his life *Justice Denoted* Terry White, 2003-09-30 White provides the most comprehensive scholarly compilation of fictional work of legal suspense in existence Primarily a bibliography of novels it also annotates plays scripts for film and television novelizations and short story collections about lawyers and the law The idea behind the principal of selection is to disdain labels that reduce the variety of the legal thriller to a subgenre of mystery fiction Novels that range from suspense thrillers through science fiction to the philosophical novel are included if justice is thematically important It is therefore an eclectic reference source beyond a compilation of books about lawyers as protagonists Its biographical and scholarly information about authors major and minor and their novels or works is traditionally encyclopedic and objective regardless of whether the work has been genre defined or worse deified as a classic or denigrated as a bestseller Many novels included are long out of print but historically interesting for their contribution to the lineage of the courtroom drama showing that the history of the legal thriller is one of the major branches of modern literature since the Age of Reason The criterion of justice denoted moves beyond the fact of lawyers and courtrooms to select seminal novels like Robert Travers Anatomy of a Murder as well as the romantic potboiler Among the more than 2 000 works are the Perry Mason novels of Erle Stanley Gardner John Mortimer's Rumpole series along with a staple of fiction by major authors of the genre like John LeScroart Lisa Scottoline Margaret Maron Scott Turow and John Grisham There are also individual works by Shakespeare Goethe Kafka Camus and Twain delineating humanity's obsession with the law as its shining prop of civilization and alternative b te noire of the common individual caught up in its maw The appendices include comments by lawyer novelist Michael A Kahn a historical introduction to the legal thriller craft notes by writers and prominent trial lawyers responding to author and lawyer questionnaires bibliography of critical sources and articles series characters and the legal terminology found in courtroom dramas and novels An essential reference tool for scholars researchers as well as the occasional reader of legal thrillers Death at Charity's Point William G. Tapply, 2013-08-06 A Boston lawyer investigates a

prep school teacher's suspicious suicide in this debut for one of the most likeable sleuths to appear on the crime scene The Washington Post Book World Brady Coyne never meant to become the private lawyer to New England's upper crust but after more than a decade working for Florence Gresham and her friends he has developed a reputation for discretion that the rich cannot resist He is fond of Mrs Gresham unflappable uncouth and never tardy with a check and he has seen her through her husband's suicide and her first son's death in Vietnam But he has never seen her crack until the day her second son George leaps into the sea at jagged Charity's Point The authorities call it a suicide but Mrs Gresham cannot believe her son like his father would take his own life As Brady digs into the apparently blemish free past of this upper class prep school history teacher he finds dark secrets George Gresham may not have been suicidal but that doesn't mean he wasn't in trouble
