

The Wire Classroom

**Earl W. Linderman, Marlene M.
Linderman**

The Wire Classroom:

The Wire in the College Classroom Karen Dillon, Naomi Crummey, 2015-04-01 The Wire's provocative subject matter layered narrative and explicit critiques of American socio economic institutions make it one of the most teachable television series in recent years This collection of new essays offers practical examples for implementing The Wire in the college classroom as a cultural text to engage students in critical and creative inquiry The essays provide a disciplinary framework for using the series in media studies writing and narrative ethics and rhetoric and education and literacy Each essay details the pedagogical goals of teaching the series or specific episodes how it was employed in class and student responses to the material Instructors considering this book for use in a course may request an examination copy here [Teaching The Wire](#) Tia Sherè Gaynor, Jocelyn DeVance Taliaferro, 2016-10-06 HBO's critically acclaimed drama The Wire has seen increasing use as course material in college classrooms since the 2008 series finale This collection of new essays discusses various approaches for using The Wire to bring the experiences of marginalized communities into the post secondary classroom The contributors cover a range of topics including leadership sexuality class gender and race *Teaching The Wire* Tia Sherè Gaynor, Jocelyn DeVance Taliaferro, 2016-10-03 HBO's critically acclaimed drama The Wire has seen increasing use as course material in college classrooms since the 2008 series finale This collection of new essays discusses various approaches for using The Wire to bring the experiences of marginalized communities into the post secondary classroom The contributors cover a range of topics including leadership sexuality class gender and race *The Classroom Teacher* Milo Burdette Hillegas, Thomas Henry Briggs, 1927 **The Elementary School Journal**, 1915 **Arts & Crafts for the Classroom** Earl W. Linderman, Marlene M. Linderman, 1984 Grade level k 1 2 3 4 5 6 7 e i p **The ... Yearbook of the Department of Elementary School Principals** National Education Association of the United States. Department of Elementary School Principals, 1930 Vol 1 32 includes List of members **Electrical Installation Record**, 1928 **School Science and Mathematics** School Science and Mathematics, 1917 **A High School Course in Physics** Frederick Russell Gorton, 1910 **School Science and Mathematics**, 1917 *Quarterly of the Colorado School of Mines ...* Colorado School of Mines, 1907 *Quarterly of the Colorado School of Mines*, 1906 *Decennial Record of the Class of 1896, Yale College* Yale University. Class of 1896, 1907 **The Politics of HBO's The Wire** Shirin Deylami, Jonathan Havercroft, 2014-12-17 This innovative new work suggests that The Wire reflects not simply a cultural take on contemporary America but a structural critique of the conditions of late modernity and global capitalism As such it is a visual text worth investigating and exploring for its nuanced examination of power difference and inequality Deylami Havercroft bring together nine essays addressing issues of interest to a range of academic fields in order to engage with this important cultural intervention that has transfixed audiences and sparked debate within the social scientific community While the TV show is primarily focused upon the urban politics of Baltimore the contributors to this volume read Baltimore as a global city That is they argue that the relations

between race class power and violence that the series examines only make sense if we understand that inner city Baltimore is a node in a larger global network of violence and economic inequality The book is divided into three interrelated sections focusing on systemic and cultural violence the rise and decline of national and state formations and the dysfunctional and destructive forces of global capitalism Throughout the series the relation of the urban to the global is constantly being explored This innovative new volume explains clearly how The Wire portrays this interaction and what this representation can show social scientists interested in race neo liberal processes of globalization criminality gender violence and surveillance
