baseball teams offer valuable lessons that can be readily applied to everyday life

The World Series' Most Wanted John Snyder, 2004-02-27 Celebrate the 100th anniversary of the first World Series with *The World Series Most Wanted* Mi You'll find fascinating facts, oddball tales, and record-breaking achievements from that initial World Series between the Boston Americans and the Pittsburgh Pirates all the way up to the 2003 World Series. The next in a long line of vaunted Most Wanted books from Potomac, *THE World Series Most Wanted* tells the tale of October glory and heartbreak of heroes and goats and of the thin line between success and failure on baseball's grandest stage. With a hopping sixty-top ten lists

Good to the Last Out Theo Tate, 2014-06-16 On October 13, 1903, Boston Red Sox pitcher Bill Dinneen recorded the first final out of the World Series by striking out Honus Wagner of the Pittsburgh Pirates in game eight of the first World Series in front of over 7,400 people at Huntington Avenue Baseball Grounds in Boston. By getting the final out, Dinneen helped the Red Sox capture the first of their eight World Series championships. Since then, the last out of the World Series has been a major symbol in American sports. This book chronicles the 96 players who made the last out of the World Series from Joe Tinker to Joe Rudi. It also chronicles the hitters who made the last out of the Fall Classic from Willie McCovey to Willie McGee. If you love baseball and if you love the World Series, this is the book for you. It shows baseball is good to the last out

Chasing the Dream Joe Torre, 1998-03-02 Maybe the good Lord was just waiting for me to put on the pinstripes. When Joe Torre was fired as manager of the St. Louis Cardinals in 1995, he thought his career in baseball was over. After more than three decades and 4,200 games as a player and manager, one thing had always eluded him: winning a World Series. He had all but given up his dream when the New York Yankees made him an offer to manage their 1996 club. Encouraged by his wife and others, he accepted and so began one of the greatest seasons in the fabled history of the New York Yankee franchise and one of the most inspiring, heartwarming stories in all of baseball. Here is the ultimate insider's record of that unforgettable season by the man whose personal struggles captured the hearts and imaginations of fans everywhere. Tough, gritty, but always fair and honest, Torre vividly reveals how he turned a potentially volatile mix of talented youngsters such as Andy Pettitte and Derek Jeter, seasoned veterans like Wade Boggs and Paul O'Neill, and so-called problem players like Darryl Strawberry and Dwight Gooden into a cohesive unit that cared more about winning than personal egos. He explains how he played his hunches and earned his team's confidence and respect as he focused his players from spring training on toward one goal: the World Series. And he did it all in a pressure-filled sports city that expects nothing less than a champion. But how he did it is only part of this remarkable story. For at the same time that Torre was overcoming the odds on the field, his family was facing much greater hardships off the field. He speaks candidly and emotionally of the tragedy of his oldest brother Rocco's sudden death and the agonizing ordeal of his other older brother Frank, who waited for the heart transplant that could save his life. It was his wife Ali who gave him the faith to believe anything was possible. Together with his sisters Rae and Sister Marguerite, a nun from Queens, they dared to dream the impossible. In a fairy-tale ending not even the best Hollywood scriptwriter could imagine.

Frank Torre got his new heart the day before the Yankees won their first World Series championship since 1978 and Joe Torre won his first ever Here is Joe Torre s own story told for the first time in his own words from his early childhood in Brooklyn to his celebrated baseball career playing with the likes of Hank Aaron and Bob Gibson to his stint as the first native New Yorker ever to manage the Yankees Offering a rare behind the scenes look at a season to remember and a man who went through so much to reach the pinnacle of his profession Chasing the Dream is more than just another sports story It is a poignant reminder of why we love the game and how sometimes nice guys do finish first

The History of the World Series Gene Schoor,1990 Each inning of the World Series since the beginning is recounted *World Series Champs: Chicago White Sox* Sara Gilbert,2013-03-12 The World Series is the biggest stage in baseball and World Series Champions gives young readers a ticket to the Fall Classic This series the latest in Creative Education s tradition of stellar sports publishing celebrates the highlights and stars of 16 Major League Baseball teams that have batted slid and thrown their way to championship glory The text simply but efficiently narrates each team s history while exciting photos of historical and contemporary greats help introduce baseball immortals

Our Team Luke Epplin,2021-03-30 The riveting story of four men Larry Doby Bill Veeck Bob Feller and Satchel Paige whose improbable union on the Cleveland Indians in the late 1940s would shape the immediate postwar era of Major League Baseball and beyond In July 1947 not even three months after Jackie Robinson debuted on the Brooklyn Dodgers snapping the color line that had segregated Major League Baseball Larry Doby would follow in his footsteps on the Cleveland Indians Though Doby as the second Black player in the majors would struggle during his first summer in Cleveland his subsequent turnaround in 1948 from benchwarmer to superstar sparked one of the wildest and most meaningful seasons in baseball history In intimate absorbing detail Luke Epplin s *Our Team* traces the story of the integration of the Cleveland Indians and their quest for a World Series title through four key participants Bill Veeck an eccentric and visionary owner adept at exploding fireworks on and off the field Larry Doby a soft spoken hard hitting pioneer whose major league breakthrough shattered stereotypes that so much of white America held about Black ballplayers Bob Feller a pitching prodigy from the Iowa cornfields who set the template for the athlete as businessman and Satchel Paige a legendary pitcher from the Negro Leagues whose belated entry into the majors whipped baseball fans across the country into a frenzy Together as the backbone of a team that epitomized the postwar American spirit in all its hopes and contradictions these four men would captivate the nation by storming to the World Series all the while rewriting the rules of what was possible in sports

World Series Chronology Sal Tartaglia,2019-05-16 I d like to thank you remaining reading dinosaurs for your interest in this project I believe this compilation of baseball championship statistics differs from any previous attempts at documenting the history of the World Series Since the Sports Encyclopedia Baseball was discontinued by the Neft brothers if one were curious to know which team comes the closest to the New York Yankees record 5 consecutive titles 1949 53 one could in fact garner the answer in Encyclopedia after substantial investigation But in Chronology it s easy to see

that the Oakland Athletics string of 3 straight 1972-74 is the next franchise in line Or if someone was interested in knowing which two teams faced one another the most times in World Series competition again this could be found after much tracking in another publication Finding that the Yankees and Dodgers have met 11 times would not be impossible to decipher from the Encyclopedia But again Chronology does all the research and the information jumps right off the page for the reader The Yanks dominated the BROOKLYN Dodgers in their 7 meetings by winning 6 times But since the Dodgers have moved to Los Angeles the teams have split their 4 match ups evenly These are just two examples of the myriad of comparisons contrasts relative similarities of all of the franchises that have played the glorious game of baseball into the fall Want to know what teams dominated a specific decade in their respective league Or how many times How about how many times have teams that won 100 games in the regular season have faced one another in the Fall Classic Which team has the most sweeps Who got there with the least amount of wins How they all fare historically Which league holds the edge What effect does winning a title have on that team s city s crime rate All of this information combined with anecdotes social historical correlations and so much more is conveniently at the disposal of the reader Thank you for your time I suspect that afterward you ll thank me for mine
