The Disappearing Alphabet

Brendan G. Carr

The Disappearing Alphabet:

The Disappearing Alphabet Richard Wilbur,1998-09-01 Pulitzer Prize winning poet Richard Wilbur turns his sharp eye to the noble alphabet and imagines what life would be like without these twenty six little but powerful letters Packed with humor and witty subtleties the verse in this captivating picture book is splendidly matched by Caldecott Medal winner David Diaz s hilariously clever illustrations The Disappearing Alphabet Richard Wilbur,2001 A collection of twenty six short poems pondering what the world would be like if any letters of the alphabet should disappear *Disappearing Alphabet* ,

Independent Reading Activities That Keep Kids Learning ... While You Teach Small Groups Susan Finney,2003-04 50 engaging reproducible activity sheets management strategies and tips for differentiating instruction that help kids build key strategies independently Cover *The Missing Alphabet* Elaine Kaye,2019-06 The paper alphabet letters in Gregory Green s classroom have gone missing and it s up to him and his friends to find those missing letters They go on a hunt through the school hoping to find them They spot letters next to things that start with those letters like B for Bananas in the cafeteria But will they be able to find the entire alphabet The Missing Alphabet is a great story for children learning to associate letters with objects and four activities throughout the book will further help children to get familiar with the alphabet **A to Zoo** Rebecca L. Thomas,2018-06-21 Whether used for thematic story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze Generations of savvy librarians and educators have relied on this detailed subject guide to children s picture books for all aspects of children s services and this new edition does not disappoint Covering more than 18 000 books published through 2017 it empowers users to identify current and classic titles on topics ranging from apples to zebras Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children s picture books making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as librarians It can be used to identify titles to fill in gaps in library collections to find books on particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles *Missing Letters* Samuel Otten,2020-10-29 Missing Letters is not a typical alphabet book it s a word game that teaches the importance of each letter by illustrating what happens when they re removed from words The results are surprising as words and meaning are transformed It can be dramatic as Will becomes ill and play becomes pay or it can be funny when peaks become peas and banana becomes baaa Lively illustrations and a diverse cast of characters accentuate the changes helping children increase their phonemic awareness the ability to hear sounds not only in the starts of words but also in the middle or end Missing Letters can also extend beyond the pages by thinking of your own words that change when

you remove a letter It s accessible to children of any age Young pre readers can focus on the missing sounds and compare the illustrations while early readers can look at the spellings to spot the difference

Lisa and the Disappearing Letters

Emma Summers,2018-04-05 Lisa didn t want to learn the alphabet and made a wish what all the letters disappear forever When Lisa woke up in the morning she could see that the letters really disappeared and in her books remained only pictures She couldn t launch a game on the computer because there were no signs on the keyboard TV news were silent because there were no letters to make words from Cars got in the accidents because even the Stop sign lost its letters This book is to show your children how important it is to know the alphabet
