The Doctors Plot Stalins Last Crime:

Stalin's Last Crime Jonathan Brent, Vladimir Naumov, 2010-06-15 On January 13 1953 the world learned that a vast conspiracy among Jewish doctors to murder Kremlin leaders had been unmasked Pravda reported that several of the doctors had already confessed to the crime Mass arrests quickly followed Less than two months later Stalin died taking the secret of the Doctor s Plot as it came to be called with him But what was the truth behind this bizarre incident Was it Stalin s creation or that of his Kremlin subordinates How was it related to contemporary world events including the Cold War And did the plot have any actual connection with Stalin s death In *Stalin s Last Crime* Jonathan Brent and Vladimir P Naumov draw on an astounding array of recently declassified documents exposing for the first time the incredible story of the Doctors Plot Jonathan Brent Editorial Director of Yale University Press and founder of its distinguished *Annals of Communism* series holds a Ph D from the University of Chicago He lives in Connecticut Vladimir Pavlovich Naumov professor of history has been Executive Secretary of the Presidential Commission for the Rehabilitation of Repressed Persons since its inception under Gorbachev He is the author of numerous articles and books on Soviet history and is co editor of *Stalin s Secret Pogrom* He lives in Russia It is the best book ever written on the Doctors Plot and one of the best analyses of the Stalinist soul *Financial Times*

Stalin's Last Crime Jonathan Brent, Vladimir Pavlovich Naumov, 2004 On 13th January 1953 a stunned world learned that a vast conspiracy among Jewish doctors to murder Kremlin leaders had been unmasked Pravda reported that several of the doctors had confessed to the crime Mass arrests followed The Doctors Plot as this action came to be called was Stalin s last great criminal conspiracy In the years since Stalin s death many myths have grown about it while Stalin s own motives have been the object of endless speculation Did he himself invent it or was it engineered by subordinates who wished to eliminate Kremlin rivals Was Stalin motivated by venomous anti Semitism How was this plot related to the Cold War then raging in Europe and the war in Korea And finally was the Doctors Plot connected with Stalin s convenient death Through access to previously unseen Soviet documents this great conundrum of Cold War politics is unravelled for the first time

Stalin's Last Crime Jonathan Brent, Vladimir Pavlovich Naumov, 2003 This is the full story behind Stalin s last most complex and most puzzling conspiracy unravelled for the first time through access to previously unseen secret Soviet documents On 13th January 1953 a stunned world learned that a vast conspiracy among Jewish doctors to murder Kremlin leaders had been unmasked Pravda reported that several of the doctors had confessed to the crime Mass arrests followed The Doctors Plot as this action came to be called was Stalin s last great criminal conspiracy In the years since Stalin s death many myths have grown up about the Doctors Plot while Stalin s motives have been the object of endless speculation Did Stalin himself invent the conspiracy against the Jewish doctors or was it engineered by subordinates who wished to eliminate Kremlin rivals Was Stalin merely motivated by venomous anti Semitism How was this plot related to the Cold War And finally was the Doctors Plot connected with Stalin s fortuitous death *Ritual Murder in Russia, Eastern Europe, and Beyond*

Eugene M. Avrutin, Jonathan Dekel-Chen, Robert Weinberg, 2017-07-12 A collection of essays exploring the history of an antisemitic accusation that haunted Jewish people in Europe and Russia and how it spread This innovative reassessment of ritual murder accusations brings together scholars working in history folklore ethnography and literature Favoring dynamic explanations of the mechanisms evolution popular appeal and responses to the blood libel the essays rigorously engage with the larger social and cultural worlds that made these phenomena possible In doing so the book helps to explain why blood libel accusations continued to spread in Europe even after modernization seemingly made them obsolete Drawing on untapped and unconventional historical sources the collection explores a range of intriguing topics popular belief and scientific knowledge the connections between antisemitism prejudice and violence the rule of law versus the power of rumors the politics of memory and humanitarian intervention on a global scale This important contribution to our understanding of the evolution of ritual murder charges in Eastern Europe brings together a number of innovative studies on the topic several of which could become standard reading on the subject Glenn Dynner Sarah Lawrence College While the topic was not exactly novel to me I enjoyed reading this book and I was constantly learning from the significant new information and fresh insights from the authors analyses Shaul Stampfer Hebrew University *The Private World of Soviet Scientists from Stalin to Gorbachev* Maria Rogacheva, 2017-07-10 A major new contribution to understanding the transition of Soviet society from Stalinism to a more humane model of socialism

Cosmopolitanism, Nationalism and the Jews of East Central Europe Michael Miller, Scott Ury, 2016-01-22 Since ancient times Jews have had a long and tangled relationship to cosmopolitanism Torn between a longstanding commitment to other Jews and the pressure to integrate into various host societies many Jews have sought a third seemingly neutral option that of becoming citizens of the world cosmopolitans Few regions witnessed such intense debates on these questions as the lands of East Central Europe as they entered the modern era From Berlin to Moscow and from Vilna to Bucharest the Jews of East Central Europe were repeatedly torn between people nation and the world While many Jews and individuals of Jewish descent embraced cosmopolitan ideologies and movements across the span of the nineteenth century such appeals to transcend the nation became increasingly suspect with the rise of integral nationalism In Germany Poland Russia and other lands Jews and other supporters of cosmopolitan movements were marginalized during the late nineteenth and early twentieth centuries Although such sentiments reached their peak during the Second World War anti cosmopolitan propaganda continued throughout the Cold War when it often became an integral part of anti Jewish campaigns in the Soviet Union Czechoslovakia Poland and Romania Even after the end of the Cold War the connection between Jews and cosmopolitanism continues to befuddle ideologues cultural leaders and politicians in Europe North America and Israel The fourteen chapters amassed in this volume address these and other questions including What lies at the roots of the longstanding connection between Jews and cosmopolitanism How has this relationship changed over time What can different cultural economic and political developments teach us about the ongoing

attraction and tension between Jews and cosmopolitanism And what can these test cases tell us about the future of Jews and cosmopolitanism in the twenty first century This book was originally published as a special issue of the European Review of History *Stalin's American Spy* Tony Sharp,2014 Compelling Cold War mystery complete with espionage and double crossing agents this narrative sheds light on McCarthysim and Stalin s purges [Kritika](#) ,2005 **Stalinism and the Politics of Mobilization** David Priestland,2007-02 Stalinism and the Politics of Mobilization provides a new explanation of the political violence in Stalin s Soviet Union during the late 1930s by examining the thinking of Stalin and his allies and placing it in the broader context of Bolshevik ideas since 1917 [The YIVO Encyclopedia of Jews in Eastern Europe](#) Gershon David Hundert,Yivo Institute for Jewish Research,2008 This unprecedented reference work systematically represents the history and culture of Eastern European Jews from their first settlement in the region to the present day More than 1 800 alphabetical entries encompass a vast range of topics including religion folklore politics art music theater language and literature places organizations intellectual movements and important figures The two volume set also features more than 1 000 illustrations and 55 maps With original and up to date contributions from an international team of 450 distinguished scholars the Encyclopedia covers the region between Germany and the Ural Mountains from which more than 2 5 million Jews emigrated to the United States between 1870 and 1920 Even today the majority of Jewish immigrants to North America arrive from Eastern Europe Engaging wide ranging and authoritative this work is a rich and essential reference for readers with interests in Jewish studies and Eastern European history and culture Published in cooperation with YIVO Institute for Jewish Research **Revolution, Repression, and Revival** Zvi Gitelman,Yaacov Ro'i,2007-11-06 In less than a century Jews in Russia have survived two world wars revolution political and economic turmoil and persecution by both Nazis and Soviets Yet they have managed not only to survive but also transform themselves and emerge as a highly creative educated entity that has transplanted itself into other countries Revolution Repression and Revival The Soviet Jewish Experience enhances our understanding of the Russian Jewish past by bringing together some of the latest thinking by the leading scholars from the former Soviet Union Israel and the United States The book explains the contradictions ambiguities and anomalies of the Russian Jewish story and helps us understand one of the most complex and unsettled chapters in modern Jewish history The Soviet Jewish story has had many fits and starts as it transfers from one chapter of Soviet history to another and eventually from one country to another Some believe that the chapter of Russian Jewry is coming to a close Whatever the future of Russian Jewry may be it has a rich turbulent past Revolution Repression and Revival sheds new light on the past illustrating the complexities of the present and gives needed insights into the likely future [Current Work in the History of Medicine](#) ,1991 *Public Library Core Collection* John Greenfieldt,Patrice Bartell,2008 Wilson s Public Library Core Collection Nonfiction 13th Edition 2008 recommends reference and nonfiction books for the general adult audience It is a guide to over 9 000 books over 6 500 titles are new to this edition plus review sources and other professional aids for librarians and media
