## **The Domsday Contract:**

Domsday Contract Tony Williamson,1978      **The Domsday Contract** Tony Williamson,1978 A terrifying group of three engaged in the ultimate mission obtaining five one hundred kiloton atom bombs with which to destroy the oilfields of the Middle East They are Farik the gross Levantine with a curiously falsetto voice and a taste for sadistically perverted movies Slade a psychopathic murderer who learned to kill in Vietnam Raya a lustrously beautiful Israeli girl whose sole mission in life is to kill for her country Their methods are cruelly unorthodox by anyone s standards This sinister group is considered unstoppable until Lee Corey an American mercenary makes it his business to infiltrate the criminals network whatever the consequences      Reconstructing Contracts Douglas G. Baird,2013-04-30 Douglas Baird takes stock of the current state of contract doctrine and in the process reinvigorates the classic framework of Anglo American contract law showing that Oliver Wendell Holmes s set of principles properly understood continues to provide the best guide to contracts for a new generation of students practitioners and judges      Hitchhiker M. J. Simpson,2005-04-29 Douglas Adams will be most fondly remembered for the Hitchhiker s Guide to the Galaxy series and its idiosyncratic humour But this biography covers his life from his days as a struggling sketch writer to his untimely death at the age of 49 in May 2001      **Will Terrorists Go Nuclear?** Brian Michael Jenkins,2009-12-02 For more than 30 years Jenkins has been advising the military government and prestigious think tanks on the dangers of nuclear proliferation Now he goes beyond what the experts know to examine how terrorists themselves think about such weapons      The Politics of Defense Contracting Gordon Adams,2020-02-18 This is the first systematic study of the relationship between government and defense contractors examining in detail the political impact of the eight most powerful defense contractors It details ways in which Boeing General Dynamics Grumman McDonnell Douglas Northrop Rockwell International and United Technologies influence government from their basic contract activity corporate structure and research efforts to their Washington offices Political Action Committee campaign contributions hiring of government personnel and membership on federal advisory committees Adams concludes with specific recommendations for changes in disclosure requirements that would curb some of the political power corporations can wield It also suggests specific ways in which the Iron Triangle can be made subject to wider congressional and public scrutiny      The British Library General Catalogue of Printed Books 1976 to 1982 British Library,1983      **The Frood** Jem Roberts,2014-09-25 As a wise ape once observed space is big vastly hugely mind bogglingly so However if you look too closely at space it becomes nothing but lumps of rock and sundry gases Sometimes it s necessary to take a step back and let a few billion years go by before any of the true wonder and scope of the cosmos becomes apparent Similarly the late 20th century author humorist and thinker Douglas Adams was big vastly hugely and thoroughly mind bogglingly so both in physical terms and as a writer who has touched millions of readers firing up millions of cerebellums all over planet Earth for over 35 years and for nearly half of that time he hasn t even been alive It would be ridiculous to pretend

that Douglas Adams's life and work has gone unexamined since his dismayingly early death at 49 but throughout the decade since the last book to tackle the subject the universes Adams created have continued to develop to beguile and expand minds and will undoubtedly do so for generations to come An all new approach to the most celebrated creation of Douglas Adams is therefore most welcome and *The Frodo* tells the story of Adams's explosive but agonizingly constructed fictional universe from his initial inspirations to the posthumous sequels and adaptations bringing together a thousand tales of life as part of the British Comedy movements of the late 70s and 80s along the way With the benefit of hindsight and much time passed friends and colleagues have been interviewed for a fresh take on the man and his works
