The Dozen From Lakerim:

The Dozen from Lakerim Rupert Hughes, 1899 This is a pre 1923 historical reproduction that was curated for quality. Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process. Though we have made best efforts, the books may have occasional errors that do not impede the reading experience. We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide. *The Dozen from Lakerim* Hughes

Rupert, 2016-06-20 Unlike some other reproductions of classic texts, 1. We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. 2. In books where there are images such as portraits, maps, sketches, etc., we have endeavored to keep the quality of these images so they represent accurately the original artifact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. *The Dozen from Lakerim* Rupert Hughes, 2023-08-12 Rupert Hughes's novel *The Dozen from Lakerim* is a gripping tale set in the American frontier during the 19th century. The book follows twelve young men from the town of Lakerim as they navigate the challenges and dangers of the Wild West. Hughes's literary style is characterized by rich descriptions of the rugged landscape and detailed character development, painting a vivid picture of life on the frontier. The novel's exploration of themes such as friendship, courage, and resilience makes it a timeless classic of American literature. With its engaging narrative and historic context, *The Dozen from Lakerim* is sure to captivate readers of all ages. Rupert Hughes's own experiences growing up in the American West likely influenced his writing, providing a sense of authenticity to the story. His deep knowledge of the time period and dedication to historical accuracy shine through in this compelling novel. I highly recommend *The Dozen from Lakerim* to anyone interested in a thrilling adventure set against the backdrop of the Wild West. *The Dozen from Lakerim* Rupert Hughes, 2015-02-10

The deepest grief of the Dozen was the plight of the beloved giant Sawed Off. There seemed to be no possible way of getting him to Kingston, much as they thought of his big muscles and more us they thought of his big heart. His sworn pal, the tiny Jumbo, was well-nigh distracted at the thought of severing their two knitted hearts, but Sawed Off's father was dead and his mother was too poor to pay for his schooling, so they gave him up for lost, not without aching at the heart and even a little dampness at the eyelids. Heady was the first to leave town. He slipped away on an early morning train without telling any one, for he felt very much ashamed of his stubbornness, and he and his brother shook hands with each other as nervously as two prize fighters. **The Publishers**

Weekly, 1910 [Illustrated Catalogue of Books, Standard and Holiday](#) McClurg, Firm, Booksellers, Chicago, 1899 [The Sea Monarch](#) Percy F. Westerman, 2023-11-13 In *The Sea Monarch*, Percy F. Westerman crafts an engaging maritime adventure that blends elements of action, exploration, and camaraderie. Set against the backdrop of early 20th-century naval innovations, the narrative features a young protagonist who embarks on a thrilling journey aboard a grand ship. Westerman's

vivid descriptions and dynamic pacing immerse readers in the era's nautical culture while his adept characterizations bring to life the crew's diverse personalities and motivations mirroring the complexities of early oceanic expeditions. This work is a quintessential example of Westerman's ability to evoke the spirit of adventure characteristic of British youth fiction during this period, reflecting post-World War I optimism alongside the challenges of maritime exploration.

Percy F. Westerman, a prolific author known for his boys' adventure stories, was deeply influenced by his own experiences at sea and a passion for naval history. Born in 1870, Westerman served in the Royal Naval Volunteer Reserve, which not only provided him with a wealth of maritime knowledge but also illuminated the intimate bond between man and the sea. This background, along with his commitment to entertaining and educating young readers, informed his narrative style and thematic choices in *The Sea Monarch*. This captivating tale is highly recommended for readers who relish adventure and seek to understand the historical context of maritime literature. Westerman's skillful storytelling and intricate depictions of life at sea offer both thrilling escapism and insights into the formative years of naval exploration. *The Sea Monarch* promises to delight those yearning for adventure on the high seas while also appealing to historical aficionados.
