National Aeronautics and Space Administration, 2005-12-31 These essays in celebration of the Wright brothers first flight 100
years ago grew out of presentations by a group of prominent scholars in 2003 at a conference sponsored by the NASA
History Division and held at the Great Lakes Science Center in Cleveland Ohio The volume focuses on the careers of some of
the many men and women who helped to realize the dream of flight both through the atmosphere and beyond These accounts
are original and compelling because they examine the history of flight through the lens of biography **The Dream That
