**The Duchess of Wrexe** Hugh Walpole,2019-11-14 Superficially this book is very similar to others of its type and time a spirited girl comes out into society and must choose

between her rebellious and outcast cousin or a conventional young man Rachel chooses the conventional young man but as their marriage begins to degenerate she comes into contact with her cousin once more She falls in love with him will she leave her husband and run off with her romantic but weak lover And looming over all of this is the spectre of her grandmother The Duchess an old woman whose powers and health are waning but not yet gone **The Duchess of Wrexe, Her Decline and Death** Hugh Walpole,1919 *The Duchess of Wrexe, Her Decline and Death; A Romantic Commentary* Walpole Hugh Sir,2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **The Duchess of Wrexe, Etc. (New Edition.)**. Hugh Walpole,1919 **The Duchess of Wrexe (Esprios Classics)** Hugh Walpole,2022-04-10 Sir Hugh Seymour Walpole CBE 13 March 1884 1 June 1941 was an English novelist He was the son of an Anglican clergyman intended for a career in the church but drawn instead to writing Among those who encouraged him were the authors Henry James and Arnold Bennett His skill at scene setting and vivid plots as well as his high profile as a lecturer brought him a large readership in the United Kingdom and North America He was a best selling author in the 1920s and 1930s but has been largely neglected since his death After his first novel *The Wooden Horse* in 1909 Walpole wrote prolifically producing at least one book every year He was a spontaneous story teller writing quickly to get all his ideas on paper seldom revising *The duchess of wrexe, by hugh walpole* Hugh Walpole,1926 *Hugh Walpole - The Duchess of Wrexe* Hugh Walpole, Sir,2016-12-12 Sir Hugh Seymour Walpole CBE was born in Auckland New Zealand on March 13th 1884 His parents had moved to New Zealand in 1877 but his mother Mildred unable to settle there eventually persuaded her husband Somerset an Anglican clergyman to accept another post this time in New York in 1889 Walpole s early years involved being educated by a Governess until in 1893 his parents decided he needed an English education and the young Walpole was sent to England He first attended a preparatory school in Truro He naturally missed his family but was reasonably happy A move to Sir William Borlase s Grammar School in Marlow in 1895 found him bullied frightened and miserable The following year 1897 the Walpole s returned to England and Walpole was moved to be a day boy at Durham School His sense of isolation increased His refuge was the local library and reading From 1903 to 1906 Walpole studied history at Emmanuel College Cambridge and there in 1905 had his first work published the critical essay *Two Meredithian Heroes* Walpole was also attempting to cope with and come to terms with his homosexual feelings and to find that perfect friend After a short spell tutoring in Germany and then teaching French at Epsom in 1908 he found the desire to fully immerse himself in the literary world He moved to London to become a book reviewer for *The Standard* and to write fiction in his spare time In 1909 he published his first novel *The Wooden Horse* The book received good reviews but

sold little Better was to come in 1911 when he published Mr Perrin and Mr Traill In early 1914 Henry James wrote an article for The Times Literary Supplement surveying the younger generation of British novelists Walpole was greatly encouraged that one of the greatest living authors had publicly ranked him among the finest young British novelists As war approached Walpole realised that his poor eyesight would disqualify him from service and accepted an appointment based in Moscow reporting for The Saturday Review and The Daily Mail Although allowed to visit the front in Poland these dispatches were not enough to stop hostile comments at home that he was not doing his bit for the war effort Walpole was ready with a counter appointment as a Russian officer in the Sanitar He explained they were part of the Red Cross that does the rough work at the front carrying men out of the trenches helping at the base hospitals in every sort of way doing every kind of rough job During a skirmish in June 1915 Walpole rescued a wounded soldier his Russian comrades refused to help and this meant Walpole had to carry one end of a stretcher dragging the man to safety He was awarded the Cross of Saint George By late 1917 it was clear to Walpole and the authorities that his work was at an end In London Walpole joined the Foreign Office and remained there until resigning in February 1919 For his wartime work he was awarded the CBE in 1918 Walpole continued to write and publish and now also began a career on the highly lucrative lecture tour in the United States At the end of 1924 Walpole met Harold Cheevers who soon became his friend and constant companion and remained so for the rest of his life that perfect friend Hollywood in the shape of MGM invited him in 1934 to write the script for a film of David Copperfield He also had a small acting role in the film In 1937 Walpole was offered a knighthood He accepted although Kipling Hardy Galsworthy had all refused I m not of their class Besides I shall like being a knight he said Unfortunately his health was undermined by diabetes made worse by the frenetic pace of his life Sir Hugh Seymour Walpole CBE died of a heart attack at Brackenburn aged 57 on June 1st 1941 He was buried in St John s churchyard in Keswick
